1 Jan 1881; Registration Envelopes [Gazette 24 Feb 1881 / Bacon 1891]

Bacon notes:

Registration Envelopes were first issued on January 1st, 1881, at the General Post Office. Contrary to the usual custom, these envelopes bear no stamp upon the flap, and there is nothing in the inscription on the face to denote that they emanate from this Colony. Precisely similar envelopes were issued for use in Turks Islands the same year, so it is necessary to have postmarked copies to prove which Island they were used in.

General Post Office, January 1st, 1881.
REGISTERED LETTERS.

BY Law the Post Office is not liable for the loss of any Registered Letter or of its contents, but in order to meet the requirements of the Postal Union Treaty the Postmaster for Jamaica will be prepared to make good the contents of a Registered Letter lost while passing through the Post to the extent of Two Pounds, in certain cases:—

Provided—

1. That the sender duly observed all the conditions of Registration required.
2. That the Letter was securely enclosed in a reasonably strong Envelope; and, if it contained money, that it was enclosed in one of the special Registered Letter Envelopes, approved by the Post Office for the purpose.
3. That application was made to the Postmaster for Jamaica immediately the loss was discovered. (When the complaint is that the contents of a letter have been abstracted the envelope must accompany the application, otherwise the question cannot be entertained.)
4. That the Postmaster for Jamaica (whose decision shall be final) is satisfied that the loss occurred while the letter was in the custody of the Jamaica Post Office and was not caused by any fault on the part of the sender.

The approved Registered Letter Envelopes are of two sizes.

Size G—6 inches by $3\frac{3}{4}$ inches. Price $\frac{1}{2}$ d. each or 5d. per dozen.

Size H—8 inches by 5 inches. Price $\frac{3}{4}$ d. each or 7d. per dozen.

These Envelopes can be obtained at the General Post Office and will be delivered Post Free at the prices stated.

Postmaster for Jamaica.

Colonial Secretary's Office,
7th January, 1881.

THE GOVERNOR directs the publication, for general information, of the accompanying Time Table of the West India Mail Packet Service for 1881.

By command, E. N. WALKER,
Acting Colonial Secretary.

**TIME TABLE OF WEST INDIA MAIL
PACKET SERVICE FOR THE YEAR 1881.**

APPROVED BY HER MAJESTY'S POSTMASTER-GENERAL
ON THE 27TH OF NOVEMBER, 1880.

(The Time given in this Table is, in every case,
Local Time.)

Note 1.—The Branch Packets, on the Outward Route, may start from Barbadoes or St. Thomas, and on both Outward and Homeward Routes, may leave intermediate Ports, earlier than the time shown in this Table or in the detailed Tables of Routes, if they are in all respects ready to proceed.

Note 2.—When the Departure from Southampton takes place on the 3rd instead of the 2nd of the Month, and on the 18th instead of the 17th of the Month, the dates for the despatch of the Branch Steamers with the Return Mails from the respective Termini are nevertheless calculated in this Table as if the Outward Packet had left Southampton on the usual date.

Note 3.—Owing to the short Month of February, the Packets marked † are timed in this Table to leave the respective Termini and arrive at St. Thomas one day earlier than usual, as they have to meet at St. Thomas the Outward Packet of the 2nd of March from Southampton.
