THE MAJOR GENERAL ADMINISTERING THE Government directs the publication, for general information, of the following notice, under the provisions of Section 11 of the Jamaica Railway Company's Law, 12 of 1889.

By Command, Fred. Evans, Colonial Secretary.

I, Major General H. Jardine Hallowes, Administering the Government of Jamaica and of its Dependencies, do hereby give notice that:

WHEREAS the West India Improvement Company, the "Promoters" of the Railway Extensions under the Jamaica Railway Company's Law, 1889, have constructed two further lengths of railway, namely, one length of 11.78 miles between Porus and Montego Bay, that is to say, from Ipswich Station to Cambridge Station, and another length of six miles from Bog Walk to a point six miles towards Port Antonio:

And Whereas the Jamaica Railway Company have paid for the said sections out of proceeds of Bonds at the rate of £8,000 per mile, and by an equal amount of ordinary stock of the Company in accordance with Article 17 of the said Agreement leaving the further or deferred payment to be made hereafter in accordance with Article 18 of the Agreement:

And Whereas the said section of railway is constructed in and upon those several parcels of land mentioned and referred to in the Schedules A. and B. hereunto, which have been acquired from time to time for the purpose of the said sections and which are represented on plans from time to time delivered to the said Promoters through the Surveyor General and signed by him, and which are now enclosed generally within fences:
