

No. 670.—The Governor in Privy Council on the 30th August, 1927, under the provisions of the Telephone Law, 1893, Law 10 of 1893, as amended by-Laws 19 of 1894 and 12 of 1923, granted the following License to the United Fruit Company in respect of a Telephone Service in the parish of St. James.

License granted to the United Fruit Company under the Provisions of The Telephone Laws 10 of 1893 as amended by Law 19 of 1894 and 12 of 1923.

1. This License is to be read and construed subject in all respects to the provisions of The Telephone Laws 10 of 1893, 19 of 1894 and 12 of 1923, and the several words terms and expressions to which by the said Law meanings are assigned shall have in this License the same respective meanings except that in this License the expression "Works" includes the telephones electric batteries wires poles and all matters and things of whatsoever description erected or supplied for the purposes of telephonic communication under this License and "Month" in this License shall mean calendar month.

2. The Licensees for the purpose of this License are the United Fruit Company a Corporation established under the Laws of the State of New Jersey in the United States of America and doing business in Jamaica and elsewhere and whose registered address for the services of any notice required hereunder is Kingston.

3. The area within which authority is granted by this License to establish telephonic communication shall be within the boundaries of the Parish of Saint James and described on the attached Map.*

4. Subject to the provisions of this License and of the Laws above mentioned the Licensees may from time to time and at all times for the purposes of this License erect and maintain poles and wires along over under or across any public street road or open space within the area. All such poles and wires shall be for the exclusive use of the Licensees and under their sole control and shall be erected maintained and used by them only for the purposes of this License. In the event of the road authority widening any public road

along where there is a line of telephone poles and wires on the same side of such widening the Licensees shall forthwith at their own expense remove the said telephone poles to such new position respectively beyond the water tables of the road as the road authority shall prescribe.

5. The Governor shall from time to time appoint and keep appointed a fit and proper person (hereinafter called "the Inspector") who shall from time to time inspect the works of the Licensees and do such other things in connection with the License as are herein prescribed or as the Governor may from time to time direct.

6. The Licensees shall pay to the Island Treasurer on the first day of the month next after the delivery of this License the sum of Five Pounds and the same sum on the same date of every succeeding year during the period of this License and in consideration thereof the Government shall bear all expenses of inspection and tests made by the Inspector from time to time.

7. The Licensees shall instal and maintain free of charge Six Telephones in the Town of Montego Bay each on a private wire for the use of the Parochial Board for the Parish of Saint James or its successor in office and such telephones shall be installed by the Licensees at such place or places in the said town as the said Board or its successor in office may from time to time in writing direct.

8. The Licensees shall construct and at all times maintain the works in efficient order and condition to the satisfaction of the Inspector and shall at all times keep an adequate staff at each telephone exchange.

9. If and whenever the telephone line hereby authorised crosses over or under an existing telegraph line or comes in proximity therewith such special construction shall be adopted by the Licensees for preventing contact between their line and the adjacent line as shall be approved of by the Director of Public Works.

10. After first communicating with the Licensees and taking into consideration any representations made by them the Governor in Privy Council shall have power to make, revoke, re-make or alter Rules and Regulations with regard to the construction and maintenance of the Works of the Licensees for the purpose of

(a) the securing the safety of the Public from personal injury from fire or otherwise.

(b) the securing of a regular and efficient telephonic communication.

(c) the authorising of inspection and inquiry from time to time and the enforcement of the due performance of the duties of Licensees under the provisions of this License.

Such Rules and Regulations shall come into force as soon as they shall have been published in The Jamaica Gazette and a copy of the Jamaica Gazette containing the same shall be prima facie evidence of such Rule or Regulation having been duly made.

11. Before any person having a residence or place of business within the area shall be entitled to require the Licensees to supply him with telephonic communication under Section 11 of The Telephone Law of 1893, it shall be lawful for the Licensees to require him to enter into a written Agreement with the Licensee in the Form I in Schedule A hereto and thereupon to pay the Licensees the rental for the first month under such Agreement.

12. Before any person desiring telephonic communication between any two places within the area without the intervention of a Telephone Exchange shall be entitled to require the Licensees to supply a private wire for that purpose under Section 12 of The Telephone Law of 1893, it shall be lawful for the Licensees to require him to enter into a written Agreement with the Licensees in the Form 2 Schedule A hereto and to require him thereupon to pay the Licensees the rental of such private wire for the first year under such Agreement.

13. Any requisition to the Licensees under either of the two last preceding clauses shall be in writing and signed by the person making the same.

14. Any Notice Order or Document required or authorised to be served upon any body or person under this License or Telephone Laws of 1893 and 1894 may be served by addressing it to such body or person and delivering it to some inmate of his place of business or abode apparently not less than 16 years old or transmitting it through the post by prepaid registered letter to the usual or last known place of business or abode of such body or person. If sent by post it shall be deemed to have been served at the time when the envelope containing it would have been delivered in the ordinary course of post and in proving such course of service it shall be sufficient to prove that such letter was prepaid properly addressed and duly registered.

15. If at any time after the commencement of this License the Licensees represent to the Governor in Privy Council that the undertaking cannot be carried on with profit and ought to be abandoned the Governor in Privy Council shall inquire into the truth of such representation and may, if satisfied on such enquiry of the truth of such representation, revoke this License as to the whole or as to any part of the area.

16. The Governor in Privy Council may in addition to any other powers he may have in that behalf, revoke this License at any time with the consent and concurrence of the Licensees and the Road Authorities upon such terms as the Governor in Privy Council may think just.

If the Governor in Privy Council shall at any time revoke this License under either of the two last preceding clauses—

(a) the Clerk of the Privy Council shall cause notice of such revocation to be served upon the Licensees and the Road Authorities specifying the date on which such revocation shall take place.

(b) within one month after the service of such notice on the Road Authorities the Road Authorities may (if they think fit) by Notice in writing require the Licensees to sell and the Licensees shall thereupon sell to them the undertaking upon the terms of paying the value of all works and materials and plant of the Licensees such value to be in case of difference determined by arbitration, provided that the value of such lands buildings works materials and plant shall be deemed to be their true market value at the time of the sale due regard being had to the nature condition and state of repair thereof and to the circumstances that they are in a position ready for immediate working and the suitability of the same to the purposes of the undertaking but without any addition in respect of compulsory purchase or of good-will or of any profits which may have been or might be made from the undertaking or of any similar considerations.

(c) where no sale is effected under the provisions of the last sub-clause the Licensees may sell the undertaking to any person.

(d) no proceedings under Sections 2 and 3 of The Telephone Law of 1893 shall be taken until two months after service on the Licensees of Notice of the revocation of this License.

17. The Licensees shall be answerable for all accidents damages and injuries happening through the act or default of themselves or of any person in their employment or by reason or in consequence of any of the Licensees works and shall indemnify the Road Authority and all Authorities Bodies and persons collectively and individually and their officers and servants in respect of all liability loss or expense incurred by reason of or in consequence of any such accident damage or injury.

18. Nothing in this License shall exempt the Licensees from any indictment action or any proceedings for nuisance.

19. If the Licensees make default in complying with any of the requirements of this License they shall make full compensation to every body or person for any loss which they or he may incur by reason thereof.

20. The rates to be charged by the Licensees shall not exceed the rates in the Schedule B hereto.

21. If at any time it shall be shown to the satisfaction of the Governor in Privy Council that the Licensees have failed to comply with any of the terms of this License it shall be lawful for the Governor in Privy Council to impose a penalty for such failure not exceeding Ten Pounds recoverable from the Licensees by action of debt at the Suit of the Attorney General on behalf of the Government and in case such penalty be not paid within one month after Judgment shall have been given therefor the Governor in Privy Council may revoke this License as to the whole or as to any part of the area. If it shall be shown to the satisfaction of the Governor in Privy Council that the Licensees have discontinued the exercise of the power herein granted to them or have persistently failed to observe the terms and conditions of this License it shall be lawful for the Governor in Privy Council forthwith to revoke this License.

22. All telephone wires shall so far as practicable be placed on the opposite side of the street lane or other thoroughfare to wires or mains of any Licensee under Law 32 of 1890 and wherever the exigencies of construction are such that they have to be on the same side of any street lane or other thoroughfare the telephone wires shall be placed below the mains or wires of such Licensee provided that such last-mentioned mains or wires are at a sufficient height above the ground to permit thereof.

23. Every instrument shall be protected at a point near where the "ground" and "circuit" wires enter it by a "double pole" "cut out" containing a fuse or fusible connection of a current capacity of one ampere.

24. Not more than fifteen pairs of wires shall be placed on any pole or set of poles forming a line of telephone wires without confining the said wires within a cable.

25. The Licensees shall when required by the Governor in Privy Council from time to time connect their exchange either with trunk lines of the Government or with trunk lines erected by any other Licensees under the Telephone Law 1893 as amended by Law 12 of 1923 at any point to which such trunk lines may be brought within the limits of the area covered by this License. The Government after communicating with the Licensee shall have the right from time to time to fix the amount of tolls and the mode of payment thereof in respect of service over the said trunk lines.

26. When no penalty has been prescribed for any contravention of or neglect to comply with the provisions of this License or the Rules made under the principal Law or this License any such contravention or neglect shall subject the offender to a penalty not exceeding Five Pounds and in case of a continuing offence to a penalty not exceeding Two Pounds for every day during which the offence continues after conviction and the same may be recovered and enforced by summary process before the Resident Magistrate or two Justices of the Peace for the parish of Saint James, provided that nobody having any claim against the undertakers shall in any way be prejudiced in enforcing the same by the fact that any penalty or penalties has or have been recovered against such undertakers in respect of the same act or omission or default out of which the claim aforesaid arises.

27. This License shall be in force until the 31st day of March, 1937.
