Jamaican Postal Rates – Oct 1950

Jamaican Postal Rates were raised from October 2nd and are as follows:

Local letters from 1½d to 2d and anything over 2 oz. is 1d Post Cards remain at a 1d Local newspapers still at 1d Samples and printed matter up to 1d Parcel Post 4d a lb. instead of 3d and each additional lb. will be a 3d Registration 4d instead of 3d This applies to both Inland and Overseas. So far there has been no additional increase on foreign material, but this I am sure will come at a later date.

Caribbean International Airways Ltd. opened a new flight between Tampa-Cayman-Belize B.H. which commenced on October 4. This Company which lost one of its PBY Amphibian planes some months back, while on a flight from Nassau-Kingston, has now replaced this with a similar plane:

Caribbean Airways

Caribbean Airways Ltd: have lost their franchise to. P.A.A. British West: Indian Airways are now: making., a bid to try and get the right to carry mail to the States: P.A.A. have ,between 2-4 planes every day leaving Jamaica-Miami with the air mail rates at 8d per ½ oz. On the other hand British West Indian Airways could offer a very much cheaper rate, most likely similar to the West Indian Islands which is 2½d per ½ oz. .The only disadvantage being that they only have one flight per day at present.
