Extract from Article regarding New postal rates effective 1 May 1975

The minimum rate for posting a letter by air mail to Britain is now 25 cents against 15 cents previously, an increase of two-thirds. This is burden enough, so the obvious answer would be to use air letter forms — but what does the Jamaican find? That the cost of posting an Air letter form has been increased by 100 per cent - from 9 cents to 18 cents.
