The fee, which includes the Registration fee, must be prepaid in addition to the full postage by Postage Stamps, which must be affixed by the sender to the cover of the letter.

As few stamps as possible should be used to prepay the postage and insurance fee, and the stamps must not be folded over the edge of the cover. When more stamps than one are used they must be affixed with spaces between them.

A letter is the only article of mail matter which will be accepted for insurance. Post Cards, Printed Papers, Commercial Papers or Sample Packets will not be accepted.

Letters containing Coin, anything made of gold or silver, precious stones, jewellery, or any article liable to Customs duty in the country of destination cannot be insured.

The insurance system is specially applicable to letters which contain bank-notes coupons, securities, &c.

A letter tendered for insurance must not be addressed to initials, or in pencil and it must be enclosed in a strong cover, and be securely fastened and sealed with fine wax in such a way that it cannot be opened without leaving traces of violation. Envelopes with black or coloured borders must not be used. Seals must be placed over each flap, or seam, of the cover of a packet; and if the packet is

tied round with string or tape, a seal must be placed on the ends where they are tied. All the seals must be of the same kind of wax, and must bear distinct impressions of the same private device. Coins must not be used for sealing; and the device of the seal must not consist merely of straight, crossed, or curved lines which can be imitated readily.

The onus of properly enclosing and sealing the letter lies upon the sender, and the Post Office does not assume liability for loss arising from the defects of the cover or the seals, which may not be observed at the time of posting.

The amount for which a letter is insured must not exceed its actual value, and must be written by the sender both in words and in figures at the top of the address side of the cover, thus:—"Insured for £12," or whatever the amount may be.

Alteration, or erasure, of the inscription will not be allowed, if a mistake be made, the entry must be completely struck out and a new entry made by the sender. The seals on an ordinary envelope of an insured letter must be placed as shown below:—

Letters which do not fulfil the foregoing conditions will not be accepted for insurance.

Insured letters will have all the safeguards of the Registration system, and a certificate of posting must always be obtained by the sender of an insured letter. An acknowledgment of receipt of the delivery may also be obtained under the same conditions as those applicable to Registered letters, *i.e.* on payment of a further fee of 2d.

Compensation for the loss in the post of a letter, or of its contents, will not exceed the amount of the actual loss, and will not be paid at all for a letter containing any prohibited article, or for any letter which has been delivered without external trace of injury and has been accepted without remark by the addressee.

Claim for compensation will not be entertained if made more than a year after the date of posting of the letter.

Legal liability to give compensation in respect of any letter for which an insurance fee has been paid, will not attach to the Postmaster for Jamaica either personally, or in his official capacity. The final decision upon all questions of compensation rests with the postal administration of the country in which the loss has taken place.

Insured letters will, for the present, be forwarded only by the contract fortnightly Mail Steamers.

POSTAL ORDERS (INLAND).

1. Every Inland Postal Order shall be for one of the following amounts, and the following commission shall be paid :—

Amount.	Commission.	Amount.	Commission.
Sixpence	Half-penny	Two Shillings & Sixpence	Half-penny
One Shilling	Half-penny	Five Shillings	One-penny
One Shilling & Sixpence	Half-penny	Ten Shillings	Two-pence

2. Inland Postal-Orders will only be issued at a Post Office, and will be payable at the Treasury, Kingston, the General Post Office and all Parochial Treasuries in the island.

3. Inland Postal Orders will, however, be cashed by any District Postmaster or by any Assistant Collector of Taxes (subject to these Regulations) when their respective offices are open ; and, provided, that they have sufficient funds for that purpose. They will also be accepted in payment of taxes or other public dues, whenever they have been filled up for payment at the Treasury of the parish in which such dues are being paid.

4. Before a Postmaster issues a Postal Order, the amount of the Order and the Commission thereon shall be paid to him, and he shall sign the Order and stamp it with the Office-Dated-Stamp, specifying the day of the month in which the Order is issued.

5. The amount of a Postal Order, and the commission thereon, must be paid to the Postmaster in cash. Postage stamps will *not* be accepted in payment for Postal Orders ; but postage stamps may, however, be affixed to a Postal Order to an amount not exceeding five pence for the purpose of increasing to that extent the value of such Postal Order. Any stamps in excess of that amount which may be affixed to a Postal Order will not be redeemed by the Paying Officer.

6. Each Postal Order shall be printed on such paper and in such characters and with such distinctive marks, whether on the face of it or in the paper or otherwise and the amount of the commission shall be denominated by means of such stamp or mark as the Postmaster for Jamaica, under the authority of the Governor, shall from time to time direct.

7. The blanks in a Postal Order for the name of the person entitled to the money (in these Regulations referred to as the Payee) and for the name of the Treasury at which it is to be paid may be filled in before or after issue.

8. If the blanks are not filled in before issue the person to whom the order is issued must, before parting with it, fill in the name of the Payee and may fill in the name of the Treasury at which the amount is to be paid.

9. The Payee must sign the receipt at the foot of the Order, and must also fill in the name of the Treasury if that has not already been done.

10. No alteration can be made in the name of the Payee or of the Treasury when once filled in except by the direction of the Chief Treasurer.

11. When a Postal Order is presented for payment, otherwise than through a Banker, the Paying Officer shall require the receipt for the amount of the Order to be first signed and may refuse payment until he is satisfied that it is signed by or under the authority of the person appearing to be the Payee.

12. He may also if the receipt is not signed in his presence, take reasonable means to satisfy himself that the person presenting the Order is either the Payee or his Agent.

13. He shall also require the person presenting the Order to sign his name on the Order before its payment, although the receipt has already been signed.

14. Nevertheless the signature to the receipt shall, in all cases, be a sufficient authority to the Paying Officer for the payment of the amount of the Order if that signature purports to be the signature of the Payee, and it shall not be necessary to prove that the receipt was signed by or under the authority of the Payee.

15. A Postal Order may be crossed. It may be crossed generally by the addition on its face of the words "and Company," or any abbreviation thereof, between two parallel transverse lines thus : "_____ & Co." or of two parallel transverse lines simply. It may be crossed specially by the addition on its face of the name of a Banker, in which case the order shall be deemed to be crossed to that Banker.

16. A Postal Order which is crossed generally may also be crossed specially.
17. A Banker to whom a Postal Order is crossed may again cross it specially to another Banker as his Agent for collection.
18. Where a Postal Order is crossed generally, the Paying Officer may pay it to any responsible person known to him, as well as through a Banker.
19. Where a Postal Order is crossed specially, the Paying Officer shall refuse to pay it except to the Banker to whom it is crossed or his Agent for collection.
20. Where a Postal Order is crossed specially to more than one Banker, except when crossed to an Agent for the purpose of collection, the Paying Officer shall refuse payment thereof.
21. If a Postal Order, which is crossed whether generally or specially, is presented by or through a Banker with the name of such Banker written or stamped upon the face thereof that name may be accepted as a sufficient receipt for the amount of the Order and the Order may be paid without any other receipt.
22. Provided that when the Order is crossed specially to a second Banker as Agent for collection the name of such second Banker written or stamped upon the face of the Order may be accepted as a receipt under this Regulation.
23. An Order which is crossed generally or specially, if presented for payment by or through a Banker, may be paid at any Treasury in Jamaica notwithstanding that the blank has been filled in with the name of some particular Treasury.
24. After the expiration of three months from the last day of the month in which any such Order is issued the Order shall be payable only on payment, in the manner for the time being directed by the Chief Treasurer, of a commission equal to the amount of the original commission with the addition (if more than three months have elapsed since the said expiration) of the amount of the original commission for any further period of three months which has so elapsed and for any portion of any such period of three months over and above any complete period.
25. A Postal Order will be payable during the hours for the time being appointed for public business at the Office at which it is presented for payment.
26. If a Postal Order presented for payment has any erasure or alteration, or is cut, defaced or mutilated, the Paying Officer may refuse payment and refer the person presenting it to the Chief Treasurer.
27. Payment of a Postal Order may be refused or be delayed, but the Paying Officer shall immediately report the cause thereof to the Chief Treasurer.
28. Upon paying a Postal Order the Paying Officer shall immediately place in the space provided for that purpose an impression of his Office Stamp specifying the date of payment, and thereby cancel the Order.
29. A Postal Order which has been cashed by a District Postmaster or by an Assistant Collector of Taxes must *not* be re-issued, but must be included in the first remittance of public revenue to the Treasury at which such Order has been made payable.
30. District Postmasters and Assistant Collectors of Taxes must, however, take care that all the Regulations herein laid down have been strictly complied with in the case of Orders which they cash or accept in payment of taxes or other public due.
31. The payment of the amount of a Postal Order, to whomsoever made, shall discharge the Postmaster for Jamaica, the Chief Treasurer and their Officers from all liability whatsoever in respect of that Order notwithstanding any forgery, fraud, mistake or loss which may have been committed or have occurred in reference to such Order or to the procuring thereof or to the obtaining the payment thereof; and notwithstanding any disregard of these Regulations, and notwithstanding anything whatsoever.

BRITISH POSTAL ORDERS.

A scheme instituted by the Imperial Post Office under which British Postal Orders are issued and paid in the colonies was extended to Jamaica as from 1st October, 1904. These orders may now be purchased or cashed at the Money Order

Branch of the General Post Office, at the several Parochial Treasuries and at the Cross Roads Post Office. The commission chargeable on orders issued is as follows :—

At 6d., 1s., 1s. 6d., 2s. 6d.	...	1d.
" 5s.	...	2d.
" 10s.	...	3d.
" 20s.		5d.

In the United Kingdom orders are in circulation for every complete sixpence from 6d. up to 20/; and also orders for 21/. Any of these presented will, if in order be paid, but for the present the issue in the colony is limited to the seven denominations noted.

British postal orders are negotiable in the United Kingdom and in the following colonies and postal agencies which have given adhesion to the scheme :—

Aden, Andaman Islands, Antigua, Ascension, Bahamas, Baluchistap, Barbados, Basutoland, Bechuanaland Protectorate, Bermuda, Beyrout (British Agency), British Bechuanaland, British East Africa, British Guiana, British Honduras, British North Borneo, Burma, Bushire, Cape Colony, Cayman Islands, Ceylon, Chatham Island, Constantinople, (British Agency), Cook Islands, Cyprus, Dominica, Egypt (including the Soudan), Falkland Islands, Fanning Island, Federated Malay States, Fiji, Gambia, Gibraltar, Gold Coast, Grenada, Hong Kong (and its Agencies in China), India (and Indian Post Offices on the Persian Gulf and in Tibet), Jamaica, Labuan, Malta, Mauritius, Montserrat, Natal, Nevis, Newfoundland, New Zealand, North Eastern Rhodesia, Northern Nigeria, North Western Rhodesia, Nyasaland Protectorate, Orange River Colony, Panama (British Agency), Penhryn Island, St. Helena, St. Kitts, St. Lucia, St. Vincent, Salonica (British Agency), Sarawak, Savage Island, Seychelles, Sierra Leone, Smyrna (British Agency), Somaliland Protectorate, Soudan, Southern Nigeria (Lagos), Southern Rhodesia, Straits Settlements, Swaziland, Tangier, (including British Post Office Agencies at Casablanca, Fez, Larache, Mazagan, Mogador, Rabat, Sabi, and Vetuan), Tobago, Transvaal, Trinidad, Turks and Caicos Islands, Uganda, Virgin Islands, and Zanzibar.

Generally the Rules governing the issue and payment of local Postal Orders are applicable to the issue and payment of British Postal Orders, but the following principal modifications are to be noted :—

- i. The issue and payment outside of Kingston and Cross Roads is vested in the Parochial Treasurer and not in the District Postmaster.
- ii. Broken amounts, but not fractions of a penny, may be made up by the use of British or Local Postage Stamps not exceeding three in number and five pence in value affixed to the face of any one Postal Order in the space provided for the purpose. Perforated Stamps cannot be accepted for this purpose.
- iii. If an Order be not paid within three months from the last day of the month of issue, a commission equal to the original poundage will be charged. This commission must be paid in cash. Postal Orders presented for payment more than six months from the last day of the month of issue are not paid until reference has been made to London.
- iv. If a Postal Order be crossed payment will only be made through a Banker and if the name of the Banker be added payment will only be made through that Banker.

PARCEL POST.

A Parcel Post Exchange, between Jamaica and the United Kingdom; certain places via the United Kingdom; British Colonies in the West Indies; British Honduras, Canada and the United States of America, is now in operation.

Parcel Post business is transacted at the Head Office, Kingston, and at all Post Offices indicated under "Mail Conveyance" by the letters *pp*.

Parcel mails for the British Colonies in the West Indies are made up in Kingston on every alternate Thursday for despatch by the Royal Mail Line of Steamers—parcels being received up to two hours before the time advertised for closing the ordinary letter mail; and, for the United Kingdom, by the Direct Line, every alternate Thursday, parcels being received up to 4 p.m., the previous day.

Parcel mails for the United States, Canal Zone, Canada, and Turks Islands are closed for despatch by each *direct* opportunity, the hour of closing being duly notified on each occasion.

REGULATIONS.

The following are the most important *special* regulations and conditions to be observed with respect to parcels for the United Kingdom, British Colonies, &c. :—

The postage must in all cases *be paid in advance*, and by means of postage stamps which must be affixed by the sender, and no parcel will be accepted for transmission which is not sufficiently prepaid.

Each parcel must be plainly directed, such directions setting forth the name and full address of the person for whom the parcel is intended. It should bear the words, "Parcel Post" in the upper lefthand corner, and the name and address of the sender. The date of posting should also be added. *A parcel must not be posted in a Letter Box but must be taken into a Post Office and presented at the counter to the Postmaster or person in charge.*

A certificate of posting may be obtained, if desired, by the person posting a parcel but no liability attaches to the Post Office in respect thereof.

Parcels will be liable to Customs duties and regulations, and the sender of each parcel will be required to make a Customs declaration, furnishing—upon a special form provided for the purpose, which can be obtained at any Post Office authorized to transact parcels post business—an accurate statement of the contents and value, the date of posting, and the sender's signature and place of abode. Customs duties will be collected before delivery.

No parcels containing dangerous articles, perishable articles, articles likely to injure other parcels, liquids unless securely packed in proper cases, or any contraband articles or substances will be accepted for transmission. A parcel must not contain another parcel or other postal packet intended for delivery to a person other than the addressee of the first-named parcel.

If on examination of any parcel there shall be found in or with the same any paper or communication of the nature of a letter such paper or communication will be withdrawn therefrom, and will be forwarded to the addressee thereof; or, if it be *not* addressed, to the addressee of the parcel in or with which the same was found enclosed; and the said letter will be surcharged for delivery at the unpaid inland rate of postage.

Parcels containing articles of an aggregate value exceeding £50 will not be accepted for transmission.

Parcels re-directed from one address to another will be surcharged a fresh postage at the pre-paid rate.

If a parcel cannot be delivered as addressed, or is refused, the sender, if his address be given on the parcel, will be communicated with by the Post Office as to the manner in which the parcel shall be disposed of.

If returned or re-directed from one country to another the parcel will be charged a full rate of postage.

Parcels which cannot be delivered will be kept for a reasonable time before being finally disposed of.

Parcels should be securely and substantially packed and closed by the sender and in some cases seals may be found necessary. If wax is used it should be of the special quality which will withstand a hot climate.*

Parcels containing coin, anything made of gold or silver or other precious articles cannot be forwarded to a country participating in the insurance scheme (page 160) except the parcel is insured.

*The rule does not apply to parcels for the U.S. which must not be closed against inspection in any manner whatever.

CASH ON DELIVERY SYSTEM.

A Cash on Delivery System of Parcels is in existence between this Colony and the United Kingdom, and the public can order goods of a maximum value of £20 from a merchant in the United Kingdom. The value of the parcel, plus the fees charged for the service, on being paid to the Post Office, is remitted direct to the merchant in the United Kingdom. In like manner an order from the United Kingdom on Jamaica can be executed, and the value of the parcel collected in the United Kingdom and remitted direct to the merchant in Jamaica.

Any further information, including fees to be charged, can be obtained from the Parcel Post Office, Kingston, to which office the service, at present, is limited.

The following are the special Regulations which govern the exchange of parcels with the United States of America and the Canal Zone:—

A declaration of contents and their value with the sender's signature and address the date of mailing, and the place of address must be made on the authorised form and fixed to the parcel.

An acknowledgment that a parcel to a stated address had been posted will, if required be given to the poster, but no liability attaches to the Post Office in respect thereof.

Letters, postcards and written matter of the nature of personal correspondence must not be enclosed in a parcel.

If such be found the letter will be placed in the mails, if separable; and, if the letter be inseparably attached, the whole package will be rejected. If, however, any such should inadvertently be forwarded the country of destination will collect double rate of postage according to the Postal Union Convention.

A parcel may not contain any other parcel intended for delivery at an address other than that borne by the parcel itself. If such enclosed parcel be detected it must be sent forward singly, charged with new and distinct Parcel Post rates.

Publications which violate the Copyright Laws of the country of destination; poisons and explosive or inflammable substances; fatty substances; liquids, and those which easily liquefy; confections and pastes; live or dead animals, *except* dead insects and reptiles, when thoroughly dried, and live bees put up in wooden boxes closed with a wire screen protected by a moveable wooden lid; fruits and vegetables, and substances which exhale a bad odour; lottery tickets, lottery advertisements or lottery circulars; all obscene or immoral articles; articles which may, in any way, damage or destroy the mails or injure the persons handling them.

Each parcel must be so wrapped or enclosed as to permit its contents to be easily examined by any Postmaster or Customs Officer whose duty it may be to do so; and each parcel will be subject in the country of destination to all Customs duties and all Customs regulations in force in that country for the protection of its Customs revenue.

A parcel may be *registered* on like conditions to those that govern the registration of other correspondence; or, on payment of the sum of two-pence (or five cents) additional to the first charge, the sender can obtain a receipt for such parcel from the addressee.

Parcels must be so carefully packed as to be safely transmitted in the mails of either country, both in going to the Post Office of exchange of the country of origin, as well as to the office of address of the country of destination; and they must NOT BE SEALED OR CLOSED AGAINST INSPECTION, that is, they must not be secured by means of wax, screws or nails, or in any manner which would not admit of their easy examination by the Customs Authorities in the United States.

The country of destination, may, at its option, levy and collect from the addressee, for inland service and delivery, a charge not exceeding twopence half-penny (or five cents) on each single parcel of whatever weight; and, if the weight exceed one pound, a charge equal to one half-penny (or one cent.) for each four ounces or fraction thereof.

If a parcel cannot be delivered as addressed, or is refused, the sender will be so advised; and, if no action is taken by him within three months, the parcel may be sold for the benefit of whom it may concern.

Any request that a parcel may be re-addressed or returned must be accompanied by the amount of postage at the original rate for its further pre-payment.

The Post Office Department of either of the contracting countries will not be responsible for the loss or damage of any package; and no indemnity can consequently be claimed by the sender or addressee in either country.

The following are the regulations and conditions with respect to the Parcel Post Exchange with Canada:—

A parcel may not exceed eleven pounds in weight, two feet in length and one foot in width or depth.

The postage on parcels *must* be prepaid by Postage Stamps.

All parcels will be subject to the Customs dues, laws and regulations in force in either country; and to each parcel must be affixed a "Customs declaration" containing an accurate statement of the contents and value thereof; the date of posting, and the sender's signature and address.

A parcel may *not* contain the following:—

I. A letter or the communication of the nature of personal correspondence.

II. Any other parcel intended for delivery at an address other than that borne by the parcel itself. If such enclosed parcel be detected it will be sent forward *singly* charged with new and distinct Parcel Post rates.

III. Any explosive, inflammable, or dangerous substance which may in any way damage or destroy other parcels, or the mails, or injure the persons handling them.

An undelivered parcel may be re-directed to the sender in the country of origin on payment of a rate equal to that originally paid on it, such additional postage may either be paid in the country from which the parcel is returned or be collected from the sender on delivery.

Parcels which cannot be delivered to the persons to whom they are addressed, or the senders of which cannot be found, will be returned to the country of origin for disposal as undelivered, or "dead" matter.

The Post Office Department of either country will *not* be responsible for the loss or damage of any parcel.

The parcels must be securely and substantially packed.

The exchange of parcels will be effected by means of steamers plying between ports in Canada and Jamaica.

Parcels received at Jamaica from places over sea under the Parcel Post arrangements with the Imperial Post Office are, in terms of the Post Office Law Amendment Law, 1886, opened at the Head Office, Kingston, for the purpose of the amount of import duty on the contents being assessed.

After such assessment the parcels are delivered as under, and the amount of duty collected in the same manner as the postage on unpaid or insufficiently prepaid Mail matter.

In Kingston if addressed to a place within the house delivery limit, by letter carrier; if beyond such limit, at the "Parcel Post Office."

In the country, across the Post Office counter; provided that such Post Office is an office authorised to transact parcel post business.

The amount of duty assessed on any such parcel must be paid before delivery, or before the delivery of the parcel from the custody of the Post Office; and, unless such duty be paid within fourteen days after the arrival of the parcel at the office of address the parcel will be liable to be sent to the King's Warehouse.

All complaints relating to Customs duty on parcels should be addressed to the Collector of Customs, Kingston, as the Post Office has not any control whatever in the matter of duty.

PREPAYMENT OF CUSTOMS DUTIES,

And other charges on Parcels Post Parcels to the United Kingdom.

Persons sending parcels to the United Kingdom may, if they so desire, take upon themselves the prepayment of the Customs duty and other charges which in ordinary cases are leviable on the addressee. The sender will be told at the time of posting what the approximate amount of these charges will be, and a deposit will be taken of the estimated amount. A settlement will subsequently be made when a statement of the total amount of the charges has been received from the United Kingdom Post Office. The following are the conditions:—

- I. Parcels to be sent under this arrangement must be handed in at the Parcels Post Branch at Kingston, or at any district post office conducting parcels post business.
- II. The cover must be marked by the sender "To be delivered free of charge."
- III. The sender must fill up and sign a formal undertaking to pay on demand the amount of the charges due. Forms for this declaration may be had on application to the Parcels Post Branch at Kingston, or at any district post office conducting parcels post business.
- IV. Parcels for free delivery will only be accepted from persons whose settled residence is in Jamaica. If the sender is residing only temporarily in Jamaica a parcel cannot be accepted for delivery free of charge.
- V. A fee of 6d. per parcel is charged for the cost of the service in addition to the postage and deposit for duty. This fee must be paid by a stamp or stamps affixed by the sender to his form of undertaking in the place indicated.
- VI. The sender must make such deposit on account of the charges for which he desires to provide as the clerk in charge of the Parcels Post Branch at Kingston, or the district postmaster may, in each case, decide. This deposit will, for the present, be the amount of the estimated duty and must be paid by stamps affixed to the form of undertaking in the place indicated.
- VII. When a deposit has been collected the clerk in charge of the Parcels Post Branch at Kingston will fill up and sign the receipt at the foot of the form of undertaking. He will hand it to the sender, if the parcel is despatched from Kingston, or send it to the district postmaster to hand it to the sender, if the parcel is despatched from any other post office.

Insurance of Parcels to the United Kingdom and certain other Countries.

1. Every insured **Parcel** must be packed carefully and substantially, with due regard to the nature of the contents and the length of the journey, and must be sealed with wax or lead in such a way that it cannot be opened without either breaking the seal or leaving obvious traces of violation. For instance, seals must be placed over each join and loose flap of the covering of a parcel; and, if string be used in packing, a seal must be placed on the ends of the string where they are tied.

2. All the seals on an insured **parcel** must be of the same kind of wax or lead and must bear distinct impressions of the same private device. Coins must not be used for sealing; and the device must not consist merely of straight, crossed, or curved lines which could readily be imitated.

3. **Parcels** containing coin or bullion (not to exceed 5*l.* in value, except in the case of coins clearly intended for purposes of ornament,) watches, jewellery, or any article of gold or silver must be enclosed in strong boxes or cases, which must be sewn up or otherwise fastened, in wrappers of linen, canvas, strong paper, or other substantial material. In such cases the seals must be placed along the edges of each join and loose flap at distances not more than three inches apart. The address of such parcels must be written on their actual covering.

4. If a **parcel** tendered for insurance does not, in the opinion of the officer of the Post Office to whom it is tendered, fulfil the foregoing conditions as to packing and sealing, it is his duty to refuse to insure it. Nevertheless **the onus of properly enclosing, packing, and sealing the packet lies upon the sender: and the Post Office assumes no liability for loss arising from defects which may not be observed at the time of posting.**

5. The amount for which a **parcel** is insured must be written by the sender both in words and in figures at the top of the address side of the cover, thus:—"Insured for fifteen pounds (15*l.*)," No alteration or erasure of the inscription is allowed. If a mistake is made, the entry must be completely obliterated and an entirely new one made by the sender. The amount must be entered on the letter Bill for Kingston.

6. No **parcel** can be insured for more than its actual value, or for more than the sum entered below against the name of the Country or Colony to which it is addressed. A **parcel** of which the contents have no saleable value may, however, be insured for a nominal sum in order to obtain the safeguard. **Over-insurance is an obstacle to compensation.**

7. The Countries to which **parcels** may be insured, the sum payable for Insurance, in addition to the postage which must be affixed to the parcel and the limit of insured value are:—
