Letters tendered for insurance will be accepted by the Post Office on payment of the fee and subject to the conditions stated below :—

Fee.		Limit of Compensation.	Fee.		Limit of Compensation.
s. d.		£	s. d.		£
0 8	...	12	3 2	...	72
1 2	...	24	3 8	...	84
1 8	...	36	4 2	...	96
2 2	...	48	4 8	..	108
2 8	...	60	5 2	...	120

The fee, which includes the Registration fee, must be prepaid in addition to the full postage by Postage Stamps, which must be affixed by the sender to the cover of the letter.

As few stamps as possible should be used to prepay the postage and insurance

fee, and the stamps must not be folded over the edge of the cover. When more stamps than one are used they must be affixed with spaces between them.

A letter is the only article of mail matter which will be accepted for insurance. Post Cards, Printed Papers, Commercial Papers or Sample Packets will not be accepted.

Letters containing Coin, anything made of gold or silver, precious stones, jewellery, or any article liable to Customs duty in the country of destination cannot be insured.

The insurance system is specially applicable to letters which contain bank-notes coupons, securities, &c.

A letter tendered for insurance must not be addressed to initials, or in pencil and it must be enclosed in a strong cover, and be securely fastened and sealed with fine wax in such a way that it cannot be opened without leaving traces of violation. Envelopes with black or coloured borders must not be used. Seals must be placed over each flap, or seam, of the cover of a packet; and if the packet is tied round with string or tape, a seal must be placed on the ends where they are tied. All the seals must be of the same kind of wax, and must bear distinct impressions of the same private device. Coins must not be used for sealing; and the device of the seal must not consist merely of straight, crossed, or curved lines which can be imitated readily.

The onus of properly enclosing and sealing the letter lies upon the sender, and the Post Office does not assume liability for loss arising from the defects of the cover or the seals, which may not be observed at the time of posting.

The amount for which a letter is insured must not exceed its actual value, and must be written by the sender both in words and in figures at the top of the address side of the cover, thus:—"Insured for £12," or whatever the amount may be.

Alteration, or erasure, of the inscription will not be allowed, if a mistake be made, the entry must be completely struck out and a new entry made by the sender. The seals on an ordinary envelope of an insured letter must be placed as shown below:—

Letters which do not fulfil the foregoing conditions will not be accepted for insurance.

Insured letters will have all the safeguards of the Registration system, and a certificate of posting must always be obtained by the sender of an insured letter. An acknowledgment of receipt of the delivery may also be obtained under the same conditions as those applicable to Registered letters, i.e. on payment of a further fee of 2d.

Compensation for the loss in the post of a letter, or of its contents, will not exceed the amount of the actual loss, and will not be paid at all for a letter containing any prohibited article, or for any letter which has been delivered without external trace of injury and has been accepted without remark by the addressee.

Claim for compensation will not be entertained if made more than a year after the date of posting of the letter.

Legal liability to give compensation in respect of any letter for which an insurance fee has been paid, will not attach to the Postmaster for Jamaica either personally, or in his official capacity. The final decision upon all questions of compensation rests with the postal administration of the country in which the loss has taken place.

Insured letters will, for the present, be forwarded only by the contract weekly Mail Steamers.

Any letter or other mail matter may be registered on pre-payment of the registration fee and postage.

The following regulations exist with regard to mail coaches :—

The personal luggage of each passenger is limited to 20lbs. by weight or 2,000 cubic inches by size. Any excess must be paid for as freight, and such excess must not exceed 10lbs in weight, or 1,000 cubic inches in size.

At intermediate stations a passenger must take his chance of finding a vacant seat in the coach, and must, if there be a vacancy, then pay his fare to the Local Postmaster, or Contractor's Agent.

In either case the amount for such ticket must be paid in cash, and the ticket must be handed to the driver or guard of the coach before the passenger takes a seat.

If any person desires to join the coach between stations (there being a vacant seat) he may do so on condition that he first pays to the driver the full amount of fare from the station last passed to his destination.

In all cases if a passenger intends to leave the coach between stations he must pay the fare to the next station beyond.

Dogs are not allowed to be carried by coach.

Parcels will be carried not exceeding 11lbs. in weight or 1,000 cubic inches in size, at the rate of threepence per lb., or per 100 cubic inches, or fractional part thereof, it being at the option of the Post Office to elect under which scale a parcel is to be paid for. A parcel may not exceed 2 feet in length, or 1 foot in width or depth, nor may it contain anything likely to damage other parcels.

The charge on parcels must be paid in advance by Postage Stamps at the respective Local Post Offices or at the General Post Office.

and in the case of the U. S. A. and Canada 3d. for each additional £ or fractional part of £1.

The rate of exchange of Money Orders between the United States of America, Canada and Jamaica is \$4 87c. to the £.

The commissions on Money Orders drawn on Barbados and British Guiana and the Windward, Leeward Islands, British Honduras, Bermuda, Turks Islands and Trinidad are as under:—

No single Order can be granted for more than ten pounds, except to the United Kingdom, the United States of America and Canada; the limit in the first case being £40 and in the other cases £20 10s. 8d. or \$100.

No application can be entertained for compensation for alleged injury from the non-payment of a Money Order at the expected time. When a Money Order is applied for it must be on the clear understanding that no such claim will be allowed, and that the Post Office is not liable, under any circumstances, to more than one payment of a Money Order, even when, notwithstanding the precautions that are taken, the Order has been paid to a person not entitled to receive the money. Re-payment to the Remitter of a Money Order cannot be made until the Chief Office of the Paying Country has been communicated with; and applications for re-payment should be accompanied by a sum equal to the original commission on the Order.

A Through Money Order Exchange also exists between Jamaica and certain British Colonies and Foreign Countries via the United Kingdom. Such Through Money Orders are subject on payment to a deduction of a sum equal to one-third of the Commission collected at the Office of Issue. The full name and address of the Payee of a Through Money Order must be given to enable the Chief Money Order Office, London, to forward to the Payee a Money Order for the net amount payable, the Money Order issued to the Remitter being only of value as a receipt for the amount paid and should be retained by the Remitter.
