All other newspapers are subject to postage at the rate for "Printed Papers," i.e. 1½d. for each 2 oz. of weight.

† No receipt is given for parcels sent under this scale, they are treated as ordinary letters and should be posted in the letter box.

REGULATIONS.

I. Letters.—No letter for delivery in Jamaica may exceed 18 inches in length, 9 inches in width or 6 inches in depth, except it be sent to or from a Government Office.

Letters sent in open envelopes are not admitted at rate for "Printed Papers."

Letters, newspapers, prices current and book packets which are *wholly unpaid* will be liable to a surcharge equal to double the prepaid rate; and, if they be insufficiently prepaid, to a surcharge equal to *double the deficiency*.

At the General Post Office, Kingston, circulars, accounts, &c., (but not newspapers) may be pre-paid in money instead of postage stamps; provided that the articles are chargeable with an uniform rate of postage, that the amount paid is in no case less than 10s. and that they are tied in bundles representing a postage of 2s. 6d. each, with the addresses arranged in the same direction. Such mail matter must be presented at a time pre-arranged with the General Post Office.

II. Post Cards.—Private Post-cards prepaid by means of half-penny postage stamps may be sent by the Inland Post on the following conditions:—They must not exceed $5\frac{1}{2}$ by $3\frac{1}{2}$ inches nor be less than $3\frac{1}{2}$ by $2\frac{1}{4}$ inches. The right hand half of the face is reserved for the postal directions and address; the left hand half is available for the purposes of the sender, subject to the following restrictions:—In addition to stamps for prepayment post cards may bear small labels showing the name and address of the sender and the addressee; and engravings and photographs on very thin paper may be affixed to the back and left hand half of the address side, provided that they are *completely adherent*. Newspaper cuttings may also be attached to the back and left hand half of the address side.

Cards bearing the title "Post Card," or its equivalent, are admitted at the rate for printed matter, provided that they conform to the general regulations respecting printed papers: if they do not conform either to these regulations or to the rules applicable to post cards they are treated as letters.

Cards must be manufactured of cardboard or paper of such consistency as not to hinder manipulation.

III. Book Packets.—A book packet may not exceed 3 pounds in weight, nor 2 feet in length, nor 1 foot in width or depth, except it be intended for transmission as a parcel.

IV. Printed Papers.—The articles which are entitled to be sent at the rate applicable to *Printed Papers* are mostly impressions or copies obtained upon paper, parchment, or cardboard, by means of printing, lithography, engraving, photography, or any other mechanical process easy to recognise.

This description includes the undermentioned articles wholly printed:—Newspapers, books (stitched or bound), periodical works, pamphlets, sheets of music, visiting cards, address cards, proofs of printing, plans, maps, catalogues, prospectuses, announcements, circulars, notices, engravings, photographs, and designs.

Besides these articles, there are some others which, though not printed matter, are admitted, as, for instance, *manuscript intended for the press*, papers impressed for the use of the blind, albums containing photographs, and cardboard drawing models stamped in relief.

Anything, not being of glass, usually attached or belonging to any of the before-mentioned articles, in the way of binding, mounting, or otherwise, and anything convenient for their safe transmission by post, may also pass at the rate applicable to such articles, provided it is contained in the same packet.

The products of the copying press and type-writer are not admitted at the rate for printed papers; nor, as a rule, are printed papers the text of which has been modified after printing, either by hand or by means of a mechanical process. The following important exceptions to this rule are allowed:—

Printed circulars may be dated in manuscript or by a mechanical process, and the name and address of the sender and of the recipient, as well as an indication of his trade or profession, may be added. Corrections and insertions may be made in manuscript or by a mechanical process in relation to names of commercial travellers, dates of their journey, and the places they intend to visit, the names and dates of arrival and departure of ships, names of persons invited to meetings, and the place, date, and object of the meetings; and the date of despatch may be inserted in advices of despatch of goods.

On printed visiting cards and Christmas and New Year cards the address and title of the sender may be written, and conventional initials, such as "p.p.c.," as well as good wishes congratulations, thanks, condolences, or other formulas of courtesy, in each case expressed in not more than five words.

Packets of Christmas and New Year cards may contain the relative invoices. This provision applies to books, newspapers, music, photographs and engravings, which may also bear a presentation inscription.

PRINTERS' PROOFS may be corrected in manuscript; additions which relate to accuracy, form, and printing may be made, and in case of want of space additional sheets may be used; the author's manuscript may be enclosed; printers' errors in other printed documents may also be corrected, and figures may be inserted or corrected in prices current, tenders for advertisement, trade circulars, prospectuses, and stock and share lists.

In forms of order or subscription for books, the works required or offered may be indicated in manuscript.

To cuttings from newspapers and periodical publications may be added in manuscript or by a mechanical process the title, date, number and address of the publication from which the article is extracted.

CIRCULARS which are in other respects admissible, but which are printed or lithographed in characters resembling those of the typewriter, or are produced by means of any mechanical process from type-written originals, will be admitted at the rate for printed papers, provided that they are handed in at the Post Office, that special attention is drawn to the fact that they are printed or reproduced in type-written characters, and that at least twenty copies are posted at the same time.

The undermentioned articles are *excluded* from transmission at the rate applicable to printed papers:—

Postage stamps, whether obliterated or not, and in general all printed articles constituting the sign of a monetary value.

Blank paper, note paper or envelopes (with or without printed address), and all other articles of stationery pure and simple.

V. *Commercial Papers* comprise all papers or documents written or drawn wholly or partly by hand (*except letters or communications in the nature of letters*, or other papers or documents having the character of an actual and personal correspondence), documents of legal procedure, Deeds drawn up by public functionaries, copies of or extracts from Deeds under private seal written on stamped or unstamped paper, Way Bills, Bills of Lading, Invoices, receipts for goods or money, and other documents of a mercantile character, documents of Insurance and other public Companies, all kinds of Manuscript Music, the Manuscript of Books and other literary works, letters and post-cards of old date which have already served their original purpose, and pupils' exercises either in original or with corrections, but without any comment on the work, and other papers of a similar description.

The *local* rate of postage on "Printed" and on "Commercial" Papers is the same, but for *foreign* mail the rate differs. See p. 38.

VI. *Parcels*.—The postage on a parcel must be fully prepaid or it cannot be forwarded.

Under Scale (1) a Parcel may not exceed 11b. in weight, 2 feet in length nor 1 foot in width or depth.

Under Scale (2) a parcel may not exceed 11lbs. in weight nor 1,000 cubic inches in size, three feet in length and 1 foot in width or depth.

Rules for foreign parcels and samples apply generally to local parcels and samples (see pp. 27, 28 and 30).

Newspapers, prices current, book packets and parcels must be posted without a cover, or in a cover open at the ends or sides so as to admit of the contents being easily withdrawn for examination. The mere clipping of the corners or of the sides of an envelope or other cover is insufficient. They must not contain any letter or communication of the nature of a letter, nor anything that may injure the officers of the Post Office or the contents of the mail bags.

If any letter or communication of the nature of a letter be found in a newspaper, prices current, book packet or parcel the entire packet will be surcharged at the *unpaid-letter rate of postage*.

REGISTRATION (Inland).

1. Any letter or other mail matter may be registered on pre-payment of the registration fee and postage.

Packets containing money, jewellery or other value, *must be registered* and must be prepaid at the *letter rate of postage*. Any Packet found to contain value, but not registered, will be liable to a surcharge equal to double the registration fee.

I. COMPENSATION FOR LOSS.

2. The Postmaster for Jamaica is not legally liable for any loss or inconvenience which may arise from the loss, damage, delay, non-delivery, or mis-delivery of anything sent by post, and he does not, in any circumstances, pay compensation in respect of unregistered letters, post-cards, printed matter, packets, newspapers or local parcels. But subject to the rules stated below, he pays compensation voluntarily and as an act of grace in those cases and in those cases only in which there has been a total loss of the contents of correspondence of the following descriptions not being loss due to breakage or damage.

FEES.

3. The fees payable over and above the postage, and the respective limits of compensation, are as follows:—

Fee	..	2d., 3d., 4d., 5d., 6d., 7d., 8d., 9d., 10d., 11d., 1s.
Limit of compensation		£2, £10, £20, £30, £40, £50, £60, £70, £80, £90, £100.

4. These fees include the ordinary registration fee 2d. The highest amount of compensation obtainable for any one packet is £100.

5. No compensation is given in respect of correspondence compulsorily registered.

6. Compensation in respect of money of any kind (coin, notes, orders, cheques, stamps, &c.) will only be given in those cases in which the money is enclosed in one of the Registered Letter envelopes sold by the Post Office and the packet is tendered for transmission by Registered Letter Post. The compensation given in respect of coin, which should be packed in such a way that it cannot move about, will in no case exceed £2.

II.—GENERAL RULES RELATING TO COMPENSATION.

1. It must appear that the loss occurred in the post, and did not arise wholly or in part by the fault of the sender, as, for instance, from inadequate fastening.

2. The compensation given will not exceed the value of the article lost. The right is reserved of reinstating the contents of an envelope instead of giving pecuniary compensation.

3. In the case of loss of contents the envelope should be retained for inspection as nearly as possible in the state in which it was delivered. If complaint be made that the contents of an envelope have been abstracted the envelope must be produced.

4. In the case of Bank Notes, Money and Postal Orders, Cheques, Bonds, and similar documents, particulars sufficient for their identification must be furnished.

5. No compensation for loss is given in respect of an envelope containing anything not legally transmissible by post, or an envelope not posted in the manner prescribed; or in respect of glass, crockery, greases, liquids or semi-liquids, colouring powders, eggs, fish, meat, fruit, or vegetables, sent by Letter Post.

6. No compensation is given for injury or damage consequential upon—i.e., indirectly arising from—the loss of anything sent by post.

7. Without prejudice to any of the preceding rules, the Postmaster for Jamaica will if he thinks fit, refuse to give compensation for loss on any ground on which a common carrier might in like case claim exemption from legal liabilities.

8. The final decision upon all questions of compensation rests with the Postmaster for Jamaica.

9. In these Rules the term "money" means—(a) Coin. (b) Paper money.

The term "coin" means coins of all kinds whether or not current in Jamaica or elsewhere. The term "paper money" means Notes of the Colonial Bank, Bank of Nova Scotia, or Royal Bank of Canada or of any bank of issue in the United Kingdom, and notes current in any Foreign State or British Possession, money orders and postal orders, unobliterated postage and revenue stamps, Exchequer bills, bank post bills, bills of exchange, promissory notes, cheques, credit notes which entitle the holder to money or goods, and all orders and authorities for the payment of money, whether negotiable or not, bonds, coupons, and securities for money, whether negotiable or not.

The sender of a Postal Order, whether made payable in the United Kingdom or elsewhere (excepting Canada), may increase its value by an amount not exceeding 5d. by affixing Postage Stamps not exceeding three in number to the face of the Order. No credit will be given for stamps which are in excess of three or which are affixed else-

where than in the spaces provided. Odd half-pence will not be paid. Stamps perforated with initials or marks, or embossed or impressed stamps cut out of envelopes, post-cards, &c. cannot be accepted for this purpose.

Postal Orders are paid at all Post Offices and Parochial Treasuries in the Island.

PERIOD DURING WHICH ORDERS ARE PAYABLE.

If an order be not paid within three months from the last day of the month of issue, a commission equal to the original poundage will be charged. The commission thus paid must be affixed in Postage Stamps to the back of the Order. Postal Orders which are not presented for payment within six months from the last day of the month of issue are not paid until reference has been made to London.

* British Postal Orders are paid at certain Offices in Canada, but are not issued in Canada.

FILLING IN OF ORDER.

The purchaser of a Postal Order must, before parting with it, fill in the name of the person to whom the amount is to be paid, and is recommended to fill in the name of the Office of Payment as a precaution in case the Order should be lost or stolen. If the purchaser does not know which Post Office is most convenient to the payee, he should insert the name of the town, village or district where the payee resides. The Order will then be paid at any Post Office in the place named.

COUNTERFOILS.

Every person to whom a Postal Order is issued should tear off and retain the counterfoil. Its production will facilitate inquiry if the Order should be lost.

MISCARRIAGE OR LOSS.

The Postmaster cannot undertake to consider any application respecting a Postal Order which has miscarried, or which has been lost or destroyed, unless the counterfoil be produced, and unless proof be given to his satisfaction that the name of the payee was inserted in the Order before the holder parted with it.

After a Postal Order has once been paid, to whomsoever it is paid, the Postmaster will not be liable to any further claim.

PAYMENT TO THE PUBLIC.

Before a Postal Order is paid the name of the payee and the name of the office of payment must have been filled in and the order must be properly receipted.

PAYMENT THROUGH BANKERS.

If a Postal Order be crossed, payment will only be made through a bank; and if the name of a bank be added, payment will only be made through that bank.

REPAYMENT TO SENDER.

The sender of a Postal Order can obtain repayment of the amount (but not the poundage) on presenting the Order and the Counterfoil at the issuing Office. If the Order has been crossed for payment through a bank the sender must first cancel the crossing by writing across the face of the Order the words "Please pay cash" and adding his initials.

ERASURES, ALTERATIONS, &c.

If any erasure or alteration is made, or if the Order is cut, defaced, or mutilated, payment may be refused.

POSTAL ORDERS NOT NEGOTIABLE.

Postal Orders do not, like Bank of England Notes, represent value in themselves. If an Order is lost or stolen no person into whose hands it may fall, though himself innocent, is entitled to receive the amount of the Order. The rightful owner is alone entitled to cash the Order.

REPLY COUPONS.

Coupons exchangeable for stamps of the value of 25 centimes (2½d.) each in any country participating in the arrangement can be purchased at the Money Order Office, Kingston, at the price of 3d. each for the purpose of prepaying replies to letters. The coupons can be exchanged by the addressees of such letters at the Post Office of the place of destination for local postage stamps. The countries and colonies included in the system are indicated by an asterisk * in column 1 of the Table which appears on pages 39 to 40.

Coupons received from other countries may be exchanged for postage stamps at the G.P.O.

MAIL COACH REGULATIONS.

PASSENGERS—At intermediate stations a passenger must take his chance of finding a vacant seat in the coach, and must, if there be a vacancy, then pay his fare to the local Postmaster, or Contractor's Agent.

In either case the amount for such ticket must be paid in cash, and the ticket must be handed to the driver or guard of the coach before the passenger takes his seat.

In all cases if a passenger intends to leave the coach between stations he must pay the fare to the next station beyond.

The **PERSONAL LUGGAGE** of each passenger is limited to 20lbs. by weight or 2,000 cubic inches by size. Any excess must be paid for as freight, and such excess may not exceed 10lbs. in weight, or 1,000 cubic inches in size.

Dogs are not allowed to be carried by coach.

OVERSEA MAILS.

There is now no regular contract mail between Great Britain and Jamaica. Mails are exchanged by every available opportunity via the U.S.A. and by direct steamers.

Mail communication between the U.S.A. and Jamaica is maintained by the Steamers of the United Fruit Company and the Atlantic Fruit Company.

As important changes in the schedules of all shipping companies are likely to take place as a result of the cessation of hostilities, it is considered best not to make any announcement concerning frequency of service, etc., etc.,

Letter mails to and from Canada are sent and received via New York, but Parcel Post mails are conveyed only by the Pickford and Black boat which trades between Halifax and Jamaica. Parcel Post mail for the West India Islands is also sent from Jamaica via Halifax by this boat.

A fairly regular mail service is maintained with Cuba by means of schooners. A less regular service is maintained with the Turks and Cayman Islands also by means of schooners and sloops.

Communication with Central and South America (via Colon) is temporarily suspended owing to present shipping conditions.

An Agreement for the direct exchange of Parcel Post Mail between the Republic of Panama and Jamaica is being framed at the time of going to press.

EXTERNAL POSTAL REGULATIONS.

Foreign Correspondence is divided into the following classes:—

(a) Letters. (b) Post-cards. (c) Printed Papers. (d) Commercial Papers. (e) Samples. (f) Parcel Post Parcels.

POSTAL UNION.

For the Rates of Postage on all classes of mail-matter, limits of weight and size, &c., see Table, page 38.

(a) Letters posted unpaid or insufficiently prepaid are forwarded, but are charged on delivery with double the deficiency.

Unpaid and insufficiently prepaid letters from the British Agencies and Possessions to which "penny postage" applies are charged double the deficient postage; but the surcharge can in no case exceed 2d. per $\frac{1}{2}$ oz. Unpaid and insufficiently prepaid letters from all other places are charged double the deficient postage; but the surcharge can in no case exceed 5d. per $\frac{1}{2}$ oz.

No letter may exceed 2 feet in length or 1 foot in width or depth.

(b) Post Cards: See Inland Regulations p. 3.

For definition of (c) Printed and (d) Commercial Papers,* see Inland Regulations p. 3 to 1.

(e) Samples: The use of the Sample Post is restricted to (1) bona-fide Trade Samples or Patterns of Merchandise without saleable value, and (2) natural history specimens, dried or preserved animals and plants, geological specimens, and scientific specimens generally, keys, fresh flowers, tubes of serum and pathological specimens rendered innocuous by their mode of preparation and packing, when sent for no commercial purpose. Packets containing goods for sale or consigned in execution of an order (however small the quantity), or articles sent by one private individual to another which are not actually trade samples or patterns or scientific specimens, &c., cannot be forwarded by Sample Post.

It is recommended that every sample should be marked "Sample—not for sale." or otherwise defaced in such a way as to render the article unsaleable in the ordinary way of trading.

SPECIAL REGULATIONS AS TO CERTAIN ARTICLES.

Though under the regulations of the Postal Union articles liable to Customs Duty may only be sent by the Parcel or the Insured Box Post, this rule is relaxed for samples in certain countries. In some instances samples liable to Customs Duty are delivered either free or on payment of the duty, but in others they may be withheld from delivery. Samples of tea exceeding eight ounces in gross weight are not in any case accepted for transmission abroad; and some countries have fixed a still lower limit both for tea and for certain other articles. Samples liable to Customs Duty are ordinarily admitted into the United Kingdom when sent in quantities so small as to have practically no saleable value; but the importation of tobacco, cigars, cigarettes, &c., by Sample Post is prohibited, with the sole exception of packets of type samples of unmanufactured tobacco not exceeding six ounces in gross weight, which are delivered on payment of 2s. 6d. Customs Duty.

Samples of Spirits (except perfumed spirits) are a limited to U. K. provided that the samples are plainly marked "Spirits (not perfumed)." Each packet is liable to a charge of 1s. 4d. Customs Duty. Samples of wine are admitted free of Customs charges. The gross weight of any sample packet containing wine or spirits must not exceed 12 ounces.

Samples of Tea not exceeding 8 oz. in gross weight may be sent to U. K. provided that the packets are plainly marked as containing tea. Each packet, exceeding 2 oz. in weight, is liable to a charge of 3l. Customs Duty.

Sample packets containing liquids and greasy substances can be sent to countries in the Postal Union: also live bees (except when prohibited by the special regulations of the country of destination). They must be made up so that they can be easily opened for purposes of inspection, with the exception of packets containing live bees, which must be enclosed in boxes so constructed as to allow the contents to be ascertained without opening. The bottles used for enclosing liquids must be of glass, and all articles of glass must be securely packed in boxes of metal or wood.

Liquids, Oils, and substances easily liquefied must be enclosed in glass bottles, hermetically sealed. Each bottle must be placed in a wooden box furnished with sawdust, cotton

* MSS. for the press, when not accompanied by its relative proof, addressed to places abroad, is subject to postage rate for "Commercial Papers," see Table p. 38 for rates, etc.

or spongy material in sufficient quantity to absorb the liquid in the event of the bottle becoming broken. Finally, the box itself must be enclosed in a case of metal with tightly fitting lid, of wood with a screwtop, or of strong and thick leather, but when perforated wooden blocks are used having a thickness of at least $2\frac{1}{2}$ millimetres (about $\frac{1}{4}$ of an inch) in the thinnest part, sufficiently provided inside with absorbent material and supplied with a lid, it is not necessary for the blocks to be enclosed in a second case.

IT IS FORBIDDEN to send through the Post to a country of the Postal Union—

1. Any letter or packet containing gold or silver, bullion, pieces of money, jewellery or precious articles (except to Countries named in foot note* but the packet must be sealed and prepaid at Registered Letter Rates).
2. Any packet (other than a Parcel Post Parcel) containing articles liable to customs duty.
3. Any article of a nature likely to stain or injure the correspondence.

REGISTRATION (Foreign).

If it is proved to his satisfaction that a letter or packet duly admitted to Registration has been entirely lost whilst in his custody the Postmaster undertakes to pay an indemnity of 50 francs (£2), except in cases beyond control (e.g., tempest, shipwreck, earthquake and war). No compensation, however, is payable except in the case of the loss of the entire letter or packet; and no claim will be admitted if made more than a year after the letter or packet was posted.

The Postal Administrations of all countries and colonies included in the Postal Union give the same undertaking in respect of registered letters or packets lost whilst in their custody.

If it is desired to obtain compensation in the case of abstraction of contents of a letter, or to provide for a higher maximum than 50 francs, recourse must be had to the Insurance system.

The fee chargeable for Registration to places abroad is 2d.

Conditions of Registration.

No postal packet addressed to initials or in pencil is admitted to Registration.

Every letter presented for Registration must be enclosed in a strong envelope securely fastened, preferably in one of the Registration envelopes sold by the P.O.

No packet marked on the outside with the declared value of the contents, as required in the case of insurance, may be sent to a country of the Postal Union by registered post, and Postmasters are instructed to refuse packets so marked which are presented for Registration.

Registered packets must be prepaid as regards both postage and registration fee.

Packets to be registered must be given to an Officer of the Post Office, and a receipt obtained for them; they must on no account be dropped into a Letter Box.

Advice of Delivery.

The sender of registered or insured correspondence addressed to any Foreign Country or British Colony in the Postal Union, may obtain an acknowledgment of its receipt by the addressee on payment of an extra fee of 2d., in addition to other fees.

INSURANCE—Letters.

Letters tendered for insurance will be accepted by the Post Office on payment of the fee and subject to the conditions stated below:—

Fee—6d. for every £12 of value in addition to the postage and registration fee.

As few stamps as possible should be used to prepay the postage and insurance fee, and the stamps must not be folded over the edge of the cover. When more stamps than one are used they must be affixed with spaces between them.

A LETTER is the only article of mail matter which will be accepted for insurance. Post Cards, Printed Papers, Commercial Papers or Sample Packets will not be accepted.

Letters containing coin, anything made of gold or silver, precious stones, jewellery, or any article liable to Customs duty in the country of destination cannot be insured. Objects of value which cannot be sent in insured letters may generally be sent in insured parcels, (see pp. 32, 33).

The insurance system is specially applicable to letters which contain bank-notes, coupons, securities, bonds and other documents of the kind.

A letter tendered for insurance must not be addressed to initials, or in pencil and it must be enclosed in a strong cover, and be securely fastened and sealed with fine wax in such a way that it cannot be opened without leaving traces of violation. Envelopes with

* Coin, gold, silver, &c., may be sent by registered mail to the following places: Ascension, Australia, Barbados, Canada, Canal Zone, Cape of Good Hope, Cuba, Gibraltar, Grenada, Guatemala, Malta, New Zealand, South Africa, (British), United Kingdom, United States of America and possessions of U. S.

black or coloured borders must not be used. Seals must be placed over each flap, or seam, of the cover of a packet; and if the packet is tied round with string or tape, a seal must be placed on the ends where they are tied. All the seals must be of the same kind of wax, and must bear distinct impressions of the same private device. Coins must not be used for sealing; and the device of the seal must not consist merely of straight, crossed, or curved lines which can be imitated readily.

The onus of properly enclosing and sealing the letter lies upon the sender, and the Post Office does not assume liability for loss arising from the defects of the cover or the seals, which may not be observed at the time of posting.

The amount for which a letter is insured must not exceed its actual value, and must be written by the sender both in words and in figures at the top of the address side of the cover, thus:—"Insured for £12, (Twelve Pounds)" or whatever the amount may be.

Alteration or erasure of the inscription will not be allowed, if a mistake be made the entry must be completely struck out and a new entry made by the sender. The seals on an ordinary envelope of an insured letter must be placed as shown below:—

Letters which do not fulfil the foregoing conditions will not be accepted for insurance. Insured letters will have all the safeguards of the Registration system, and a certificate of posting must always be obtained by the sender of an insured letter. An acknowledgment of receipt of the delivery may also be obtained under the same conditions as those applicable to Registered letters, i.e., on payment of a further fee of 2d.

Compensation for the loss in the post of a letter, or of its contents, will not exceed the amount of the actual loss, and will not be paid at all for a letter containing any prohibited article, or for any letter which has been delivered without external trace of injury and has been accepted without remark by the addressee.

Claim for compensation will not be entertained if made more than a year after the date of posting of the letter.

Legal liability to give compensation in respect of any letter for which an insurance fee has been paid will not attach to the Postmaster for Jamaica either personally, or in his official capacity. The final decision upon all questions of compensation rests with the postal administration of the country in which the loss has taken place.

Insured letters will only be forwarded by steamers going direct.

For list of countries to which letters may be insured and the limit of insurance, see Table pp. 39 to 46.

PARCEL POST.

A Parcel Post Exchange, between Jamaica and the United Kingdom; certain places via the United Kingdom; British Colonies in the West Indies; British Honduras; Canada; the United States of America and Canal Zone is now in operation.

Parcel Post business is transacted at all Post Offices.

Parcel mails for the British Colonies in the West Indies are made up in Kingston for despatch via Halifax by the Pickford and Black Line of Steamers; and, for the United Kingdom, the United States, Canal Zone, Canada, Turks and Cayman Islands and Honduras by each direct opportunity, the hour of closing being duly notified on each occasion.

POSTAGE, DIMENSIONS, AND WEIGHT.

No parcel may exceed eleven pounds in weight.

For postage, maximum dimensions, and other particulars, see Table of Rates of Postage, &c., pages 39 to 46.

Foreign (except to U.S.)* and Colonial parcels cannot be registered, but they may be insured to certain countries under the conditions specified on pages 32 and 33.

*See page 34.

GENERAL REGULATIONS.

Customs Declaration and Despatch-note.

Parcels are subject to Customs regulations. The sender of each parcel is required to make, for Customs purposes—upon a special form or forms, which can be obtained at any Post Office—an accurate statement of the nature and value of the contents and other particulars. The sender's name and full address must also be filled in. The forms should be filled in in ink. Two forms of Customs declaration are in use:—(1) A yellow form, intended to be affixed to the covers of parcels for British Colonies and Possessions and for a few foreign countries; and (2) a white form, which is used for parcels for all other foreign countries. Several identical copies of the latter form must in many cases be made out (see Table on pages 39 to 4). *When a white form is used the sender must also fill up a despatch-note.* *Undervaluation of the contents or failure to describe them fully may result in seizure of the parcels, and in the case of parcels addressed to the United States of America in the imposition of heavy fines, which will not be remitted even if the parcels are returned to the senders.* The net weight or quantity of the different kinds of articles contained in a parcel should be separately stated. Any other particulars should be given which would facilitate the assessment of Customs Duty, such as the material of which clothing is composed, and whether it is new or not. In the case of articles returned to the country where they originated, the fact should be stated. For further particulars as to declarations, see note against the names of the various countries in the Table of Rates pp. 39 to 45 (ed. 10).

The postage on parcels must be wholly prepaid by Postage Stamps.

The Post Office Department will not be responsible for the loss or damage of any uninsured parcel.

Each parcel must be plainly directed, such directions setting forth the name and full address of the person for whom the parcel is intended. *A parcel must not be posted in a Letter Box but must be taken into a Post Office and presented at the counter to the Postmaster or person in charge.*

A certificate of posting will be given to the person posting a parcel but no liability attaches to the Post Office in respect thereof.

Customs duties will be collected before delivery.

A parcel may not contain dangerous articles, perishable articles, articles likely to injure other parcels, or the officers of the Post Office, liquids unless securely packed in proper cases and surrounded with absorbent material, or any contraband articles or substances. A parcel must not contain another parcel or other postal packet intended for delivery to a person other than the addressee of the first-named parcel.

If on examination of any parcel there shall be found in or with the same any letter or communication of the nature of a letter such paper or communication will be withdrawn therefrom, and will be forwarded to the addressee thereof; or, if it be not addressed, to the addressee of the parcel in or with which the same was found enclosed, and the said letter will be surcharged for delivery at the unpaid rate of postage.

An undelivered parcel may be re-directed to the sender in the country of origin on payment of a rate equal to that originally paid on it, such additional postage may either be paid in the country from which the parcel is returned, or be collected from the sender on delivery.

Parcels re-directed or returned from one country to another will be charged a fresh postage at the rate payable to the country of destination.

If a parcel cannot be delivered as addressed, or is refused, the sender, will be communicated with by the Post Office as to the manner in which the parcel shall be disposed of.

Parcels to and from the U.S.A., however, which cannot be delivered to the persons to whom they are addressed, will be returned for disposal as undelivered, or "dead" matter.

Parcels which cannot be delivered will be kept for a reasonable time before being finally disposed of.

Parcels should be securely and substantially packed and closed by the sender and in some cases seals may be found necessary. If wax is used it should be of the special quality which will withstand a hot climate. Parcels to U.S.A. may not be sealed.

Parcels containing coin, anything made of gold or silver or other precious articles cannot be forwarded to a country participating in the insurance scheme except the parcel is insured.

Parcels containing articles of an aggregate value exceeding £50 will not be accepted for transmission. This does not apply to insured parcels (for the limit of the value of which see pages 39 to 45.)

Parcels received at Jamaica from places over sea under the Parcel Post arrangements with the Imperial Post Office are, in terms of the Post Office Law Amendment Law, 1886, opened at the Head Office, Kingston, for the purpose of the amount of import duty on the contents being assessed.

After such assessment the parcels are delivered as under, and the amount of duty collected in the same manner as the postage on unpaid or insufficiently prepaid Mail matter.

In Kingston if addressed to a place within the house delivery limit, by letter carrier ; if beyond such limit, at the Parcel Post Office.

In the country, across the Post Office counter

The amount of duty assessed on any such parcel must be paid before delivery, or before the delivery of the parcel from the custody of the Post Office.

All complaints relating to Customs duty on parcels should be addressed to the Collector of Customs, Kingston, as the Post Office has no control in the matter of duty.

SPECIAL REGULATIONS:—I. UNITED KINGDOM.

A. CASH ON DELIVERY SYSTEM.

A Cash on Delivery System of Parcels is in existence between this Colony and the UNITED KINGDOM, and the public can order goods of a maximum value of £20 from a merchant in the United Kingdom. The value of the parcel, plus the fees charged for the service, on being paid to the Post Office, is remitted direct to the merchant in the United Kingdom. In like manner an order from the United Kingdom on Jamaica can be executed, and the value of the parcel collected in the United Kingdom and remitted direct to the merchant in Jamaica.

Any further information, including fees to be charged, can be obtained from the Parcel Post Office, Kingston, to which office the service, at present, is limited.

B.—PREPAYMENT OF CUSTOMS DUTIES.

And other charges on Parcels Post Parcels to the United Kingdom.

Persons sending parcels to the United Kingdom may if they so desire, take upon themselves the prepayment of the Customs duty and other charges which in ordinary cases are leviable on the addressee. The sender will be told at the time of posting what the approximate amount of these charges will be, and a deposit will be taken of the estimated amount. A settlement will subsequently be made when a statement of the total amount of the charges has been received from the British Post Office. The following are the conditions:—

- I. Parcels to be sent under this arrangement must be handed in at the Parcels Post Branch at Kingston, or at any district post office.
- II. The cover must be marked by the sender "To be delivered free of charge."
- III. The sender must fill up and sign a formal undertaking to pay on demand the amount of the charges due. Forms for this declaration may be had on application to the Parcels Post Branch at Kingston.
- IV. Parcels for free delivery will only be accepted from persons whose settled residence is in Jamaica. If the sender is residing only temporarily in Jamaica a parcel cannot be accepted for delivery free of charge.
- V. A fee of 6d. per parcel is charged for the cost of the service in addition to the postage and deposit for duty. This fee must be paid by a stamp or stamps affixed by the sender to his form of undertaking in the place indicated.
- VI. A fee of 2d. for delivery charges must be added to amount deposited for duty.
- VII. The sender must make such deposit on account of the charges for which he desires to provide as the clerk in charge of the Parcels Post Branch at Kingston or the district postmaster may, in each case, decide. This deposit will, for the present, be the amount of the estimated duty and must be paid by stamps affixed to the form of undertaking in the place indicated.
- VIII. When a deposit has been collected the clerk in charge of the Parcels Post Branch at Kingston will fill up and sign the receipt at the foot of the form of undertaking. He will hand it to the sender, if the parcel is despatched from Kingston, or send it to the district postmaster to hand it to the sender, if the parcel is despatched from any other post office.

flap at distances not more than three inches apart. The address of such parcels must be written on their actual covering.

4. If a parcel tendered for insurance does not, in the opinion of the officer of the Post Office to whom it is tendered, fulfil the foregoing conditions as to packing and sealing, it is his duty to refuse to insure it. Nevertheless the onus of properly enclosing, packing, and sealing the packet lies upon the sender: and the Post Office assumes no liability for loss arising from defects which may not be observed at the time of posting.

5. The amount for which a parcel is insured must be written by the sender both in words and in figures at the top of the address side of the cover, thus:—"Insured for fifteen pounds (£15)". No alteration or erasure of the inscription is allowed. If a mistake is made, the entry must be completely obliterated and an entirely new one made by the sender. The amount must be entered on the Letter Bill for Kingston.

6. No parcel can be insured for more than its actual value, or for more than the sum entered below against the name of the Country or Colony to which it is addressed. A parcel of which the contents have no saleable value may, however, be insured for a nominal sum in order to obtain the safeguard. Over-insurance is an obstacle to compensation.

7. All parcels post parcels addressed to the United Kingdom (or other places to which the insurance system extends) containing articles of jewellery, watches, bullion or other articles of gold or silver, must be insured and cannot otherwise be forwarded to destination.

8. The countries to which parcels may be insured, the sum payable for Insurance in addition to the postage which must be affixed to the parcel, and the limit of insured value are shown on Table pp. 39 to 46.

D. UNINSURED PARCELS.

COMPENSATION FOR LOSS OR DAMAGE OF UNINSURED PARCELS BETWEEN THE UNITED KINGDOM AND JAMAICA.

The Postmaster for Jamaica will (not in consequence of any legal liability, but voluntarily, and as an act of grace) give compensation for the loss or damage of uninsured parcels sent by Parcels Post between the United Kingdom and Jamaica, when such loss or damage takes place while the parcels are in his custody, and does not arise from any fault or neglect of the senders or from the nature of the contents.

COMPENSATION.

1. In all cases of loss, abstraction, or damage, except such as are beyond control, the sender, or, in default of or at the request of the sender, the addressee shall be entitled to an indemnity corresponding with the actual amount of the loss, abstraction or damage, unless the damage has arisen from the fault or negligence of the sender or from the nature of the article, and provided always that the indemnity does not exceed, in the case of an uninsured parcel, £1, and in the case of an insured parcel, the sum for which it has been insured. The sender of a parcel which has been lost, or of which the contents have been lost or completely destroyed in the post, shall also be entitled to the return of the postage. He is not however entitled to the return of the insurance fee.

2. The obligation of paying the indemnity shall rest with the despatching office, but, until the contrary is shown, the responsibility for the loss, damage, or abstraction, shall rest with the office which, having received the parcel without making any observation, cannot prove its delivery in good condition to the addressee, or in the case of a transit parcel, its regular transfer to the next office.

3. The payment of the indemnity to the sender or addressee ought to take place as soon as possible, and at the latest within a year of the date of the application. The administration responsible will be bound to make good without delay, the amount of the indemnity paid.

4. No application for an indemnity will be entertained unless made within a year of the posting of the parcel, and after this term the applicant will have no right to any indemnity.

5. If the loss, abstraction, or damage shall have occurred in the course of conveyance between the exchanging offices, and it shall not be possible to ascertain on the territory or in the service of which the loss, abstraction or damage took place the indemnity shall be shared equally.

6. No responsibility will be admitted for parcels of which the owners have accepted delivery.

II. Canada, United States of America and the Canal Zone.

The following are the Special Regulations which govern the Exchange of parcels:—

A declaration of contents and their value with the sender's signature and address; the date of mailing, and the place of address must be made on the authorised form and fixed to the parcel.

An acknowledgment that a parcel to a stated address had been posted will be given to the poster, but no liability attaches to the Post Office in respect thereof.

Letters, postcards and written matter of the nature of personal correspondence *must not* be enclosed in a parcel.

If such be found the letter will be placed in the mails, if separable; and, if the letter be inseparably attached, the whole package will be rejected. If, however, any such should inadvertently be forwarded the country of destination will collect double rate of postage according to the Postal Union Convention.

A parcel may not contain any other parcel intended for delivery at an address other than that borne by the parcel itself. If such enclosed parcel be detected it must be sent forward singly, charged with new and distinct Parcel Post rates.

Publications which violate the Copyright Laws of the country of destination; poisons and explosive or inflammable substances; fatty substances; confections and pastes; live or dead animals, *except* dead insects and reptiles, when thoroughly dried, and live bees put up in wooden boxes closed with a wire screen protected by a moveable wooden lid; fruits and vegetables, and substances which exhale a bad odour; lottery tickets, lottery advertisements or lottery circulars; all obscene or immoral articles; articles which may, in any way, damage or destroy the mails or injure the persons handling them. Cigars in less quantities than 3,000 in a single package must not be enclosed in a parcel for the United States, but may be sent to Canada.

Each parcel must be so wrapped or enclosed as to permit its contents to be easily examined by any Postmaster or Customs Officer whose duty it may be to do so; and each parcel will be subject in the country of destination to all Customs duties and all Customs regulations in force in that country for the protection of its Customs revenue.

A parcel for United States and Canal Zone may be *registered* on like conditions to those that govern the registration of other correspondence; or, on payment of the sum of twopence additional to the first charge, the sender can obtain a receipt for such parcel from the addressee, but parcels for the United States, Canada and the Canal Zone may *not* be insured.

Parcels must be so carefully packed as to be safely transmitted in the mails of either country, both in going to the Post Office of exchange of the country of origin, as well as to the office of address of the country of destination; and they must **NOT BE SEALED OR CLOSED AGAINST INSPECTION**, that is, they must not be secured by means of wax, screws or nails, or in any manner which would not admit of their easy examination by the Customs Authorities in the United States.

The country of destination, may, at its option, levy and collect from the addressee, for inland service and delivery, a charge not exceeding twopence half-penny (or five cents on each single parcel of whatever weight; and, if the weight exceed one pound, a charge equal to one half-penny (or one cent) for each four ounces or fraction thereof.

If a parcel cannot be delivered as addressed, within 28 days of its receipt, or is refused, it will forthwith be returned to the senders.

Any request that a parcel may be re-addressed or returned must be accompanied by the amount of postage at the original rate for its further pre-payment.

The Post Office Department of either of the contracting countries will not be responsible for the loss or damage of any package; and no indemnity can consequently be claimed by the sender or addressee in either country.

POST OFFICE TELEGRAPHS.

THE Government Telegraphs are under the control of the Postmaster for Jamaica. The Telegraph Offices are in the same buildings as the Post Offices.

The charge for telegrams throughout Jamaica is ninepence for any number of words up to twelve, and a half-penny for every additional word. The address and signature are both counted. The charge is paid in postage stamps affixed to the message.

If the Addressee reside within one mile of the terminal office the telegram is delivered by messenger without any additional charge; but if beyond that limit the following portage fee must be prepaid:—

- a. If the whole distance be under three miles at a charge of sixpence (6d.) per mile counting from boundary of the free delivery.
- b. If the distance be over three miles at a charge of one shilling (1s.) per mile, counting from the office.

The charges for the transmission and for portage of telegrams must be pre-paid by means of adhesive stamps.

Persons resident at a place to which the Island Telegraph Line has not yet been extended can benefit by its use on the following conditions:—

1. If the words "By Post" with the name of a telegraph station be written on a message it will be wired to such station and forwarded from thence to its postal address by first post.

2. If a letter marked "On Post Office Telegraph Business" be sent *by post* to the Telegraph Clerk at any station the message enclosed will be promptly forwarded *by wire* from such station. In this case the letter by post must be registered and the cost of the message enclosed in stamps or coin. Telegrams may also be handed to a mail courier on his way to a telegraph office, but the department does not take any liability for mis carriage.

- 3 No charge will be made in either case for postage or registration.

4. Telegrams addressed to the United Kingdom or to any foreign place with which there is telegraphic communication are accepted at any Telegraph Station in Jamaica on payment of the inland rate, in addition to the amount charged by the Cable Company, which may be ascertained by application at each station.

5. Telegrams may be sent to certain ports for outward transmission as letters. The senders must write "by Post" before the addressee's name, and the name of the terminal Telegraph Office at the end of the address.
