All other newspapers are subject to postage at the rate for "Printed Papers," i.e. $\frac{1}{2}$ d. for each 2 oz. of weight.

† No receipt is given for parcels sent under this scale, they are treated as ordinary letters and should be posted in the letter box.

REGULATIONS.

I. Letters.—No letter for delivery in Jamaica may exceed 18 inches in length, 9 inches in width or 6 inches in depth, except it be sent to or from a Government Office.

Letters sent in open envelopes are not admitted at rate for "Printed Papers."

Letters, newspapers, prices current, and book packets which are *wholly unpaid* will be liable to a surcharge equal to double the prepaid rate; and, if they be insufficiently prepaid, to a surcharge equal to *double the deficiency*.

At the General Post Office, Kingston, circulars, accounts, &c., (but not newspapers) may be pre-paid in money instead of postage stamps; provided that the articles are chargeable with an uniform rate of postage, that the amount paid is in no case less than 10s., and that they are tied in bundles representing a postage of 2s. 6d. each, with the addresses arranged in the same direction. Such mail matter must be presented at a time pre-arranged with the General Post Office.

II. Post Cards.—Private post-cards prepaid by means of penny postage stamps may be sent by the Inland Post on the following conditions:—They must not exceed $5\frac{1}{2}$ by $3\frac{1}{2}$ inches nor be less than 4 by $2\frac{1}{4}$ inches. The right hand half of the face is reserved for the postal directions and address; the left hand half is available for the purposes of the sender, subject to the following restrictions:—In addition to stamps for prepay-

ment post cards may bear small labels showing the name and address of the sender and the addressee; and engravings and photographs on very thin paper may be affixed to the back and left hand half of the address side, provided that they are *completely adherent*. Newspaper cuttings may also be attached to the back and left hand half of the address side. A post-card must not be enclosed in a cover of any kind.

Cards bearing the title "Post Card," or its equivalent, are admitted at the rate for printed matter, provided that they conform to the general regulations respecting printed papers: if they do not conform either to these regulations or to the rules applicable to post cards *they are treated as letters*.

Cards must be manufactured of cardboard or paper of such consistency as not to hinder manipulation.

III. Printed Papers.—The following are considered as Printed Papers, and allowed to pass as such :—Newspapers and periodical works, books, pamphlets, sheets of music, visiting cards, address cards, proofs of printing with or without the relative manuscript, engravings, photographs, and albums containing photographs, pictures, drawings, plans, maps, catalogues, prospectuses, advertisements and notices of various kinds, printed, engraved, lithographed or mimeographed, and in general, all impressions or copies, obtained upon paper, parchment, or cardboard, by means of printing, engraving, lithography, autography, or any other mechanical process easy to recognise except transfers and the typewriter.

Reproductions of a manuscript or typewritten original, when they are obtained by a mechanical manifold process (chronography, &c.) are treated like printed papers; but in order to pass at the reduced postage, these reproductions must be brought to the counter of a Post Office to the number of at least twenty copies, precisely identical.

Printed papers which bear any marks whatever capable of constituting a conventional language or, save the exceptions specifically authorised below, those of which the text has been modified after printing, cannot be sent at the reduced rate applicable to printed matter.

It is allowed :—

- (a) to add in manuscript, on printed visiting cards and also on Christmas and New Year Cards the address of the sender, his title, as well as any formula of courtesy, expressed in five words at most or by means of conventional initials (p.f., &c.) ;
- (b) to enclose the "copy" with corrected proofs, and to make in those proofs alterations and additions concerned with corrections, form, and printing. In case of want of space these additions may be made on separate sheets ;
- (c) to correct also errors in printing in printed documents other than proofs ;
- (d) to insert or correct in manuscript or by a mechanical process figures in prices current, tenders for advertisements, stock and share lists, market quotations, trade circulars and prospectuses, as well as the traveller's name, the date, time and place of his intended visit, and the address at which he is staying, in travellers' announcements ;
- (e) to indicate in manuscript in advices of the departures and arrivals of ships, the date and time of those departures and arrivals, as well as the names of the ships and the ports of departure and arrival ;
- (f) to add a written dedication consisting simply of an expression of regard on books, pamphlets, newspapers, photographs, engravings, sheets of music, and in general on all literary or artistic productions, printed, engraved, lithographed or mimeographed, as well as to enclose the relative invoice ;
- (g) to add, in manuscript or by a mechanical process, to cuttings from newspapers and periodicals, the title, date, number, and address of the publication from which the article is extracted ;
- (h) in forms of order or subscription for publications, books, newspapers, engravings, pieces of music, to indicate in manuscript the works required or offered, and to strike out or underline the whole or part of the printed communications.

Address cards and all printed matter of the form and substance of an unfolded card may be forwarded without wrapper, envelope, fastening or fold.

The undermentioned articles are *excluded* from transmission at the rate applicable to printed papers :—

Postage stamps, whether obliterated or not, and in general all printed articles constituting the sign of a monetary value.

Blank paper, note paper or envelopes (with or without printed address), and all other articles of stationery pure and simple.

IV. Commercial Papers comprise all papers or documents written or drawn wholly or

partly by hand (except letters or communications in the nature of letters, or other papers or documents having the character of an actual and personal correspondence), documents or legal procedure, deeds drawn up by public functionaries, copies of or extracts from deeds under private seal written on stamped or unstamped paper, way bills, bills of lading, invoices, receipts for goods or money, and other documents of a mercantile character, documents of insurance and other public companies, all kinds of manuscript music, the manuscript of books and other literary works, letters and post-cards of old date which have already served their original purpose, and pupils' exercises either in original or with corrections, but without any comment on the work, and other papers of a similar description.

For fuller details concerning this class of mail (III and IV) reference should be made to the London Postal Guide, pp. 49 to 51.

A local packet of "Printed" or "Commercial" Papers may not exceed 3 pounds in weight, nor 2 feet in length, nor 1 foot in width or depth, except it be intended for transmission as a parcel.

The LOCAL rate of postage on "Printed" and on "Commercial" Papers is the same, (viz., 3d. for each 2oz.) but for FOREIGN mail the rate differs. See p. 38.

V. *Parcels*.—Under scale (1) a parcel may not exceed 11lb. in weight, 2 feet in length nor 1 foot in width or depth (Under this scale the postage is 1d. for each 2 oz.)

Under scale (2) a parcel may not exceed 11lbs. in weight nor 1,000 cubic inches in size, three feet in length and 1 foot in width or depth. (Under this scale the postage is 4d. per lb.)

Rules for the mode of packing, &c. of inland parcels and samples are identical with those relating to foreign parcels and samples. (See pages 28 and 31.)

Newspapers, prices current, book packets and parcels must be posted without a cover, or in a cover open at the ends or sides so as to admit of the contents being easily withdrawn for examination. The mere clipping of the corners or of the sides of an envelope or other cover is insufficient. They must not contain any letter or communication of the nature of a letter, nor anything that may injure the officers of the Post Office or the contents of the mail bags.

If any letter or communication of the nature of a letter be found in a newspaper, prices current, book packet or parcel the entire packet will be surcharged at the *unpaid letter rate of postage*.

REGISTRATION (Inland).*

Any letter or other mail matter may be registered on pre-payment of the registration fee and postage. Packets containing money, jewellery, or other value, must be registered and must be prepaid at the *letter rate of postage*. Any packet found to contain value, but not registered, will be liable to a surcharge equal to double the registration fee.

I.—FEES.

The fees payable over and above the postage, and the respective limits of compensation, are as follows:—

Fee ..	2d., 3d., 4d., 5d., 6d., 7d., 8d., 9d., 10d., 11d., 1s.
Limit of compensation	£2, £10, £20, £30, £40, £50, £60, £70, £80, £90, £100.

These fees include the ordinary registration fee 2d. The highest amount of compensation obtainable for any one packet is £100.

II. COMPENSATION FOR LOSS.

1. The Postmaster for Jamaica is not legally liable for any loss or inconvenience which may arise from the loss, damage, delay, non-delivery, or mis-delivery of anything sent by post, and he does not, in any circumstances, pay compensation in respect of unregistered letters, post-cards, printed matter, packets, newspapers or local parcels. But subject to the rules stated below, he pays compensation voluntarily and as an act of grace in those cases and in those cases only in which there has been a total loss of the contents of correspondence of the following descriptions not being loss due to breakage or damage.

2. No compensation is given in respect of correspondence compulsorily registered.

3. Compensation in respect of money of any kind (coin, notes, orders, cheques, stamps, &c.) will only be given in those cases in which the money is enclosed in one of the registered letter envelopes sold by the Post Office and the packet is tendered for transmission by registered letter post. The compensation given in respect of coin, which should be packed in such a way that it cannot move about, will in no case exceed £2.

* Conditions governing registration of inland correspondence differ from those governing foreign correspondence. See p. 29.

4. It must appear that the loss occurred in the post, and did not arise wholly or in part by the fault of the sender, as, for instance, from inadequate fastening.

5. The compensation given will not exceed the value of the article lost. The right is reserved of reinstating the contents of an envelope instead of giving pecuniary compensation.

6. In the case of loss of contents the envelope should be retained for inspection as nearly as possible in the state in which it was delivered. If complaint be made that the contents of an envelope have been abstracted the envelope must be produced.

7. In the case of bank notes, money and postal orders, cheques, bonds, and similar documents, particulars sufficient for their identification must be furnished.

8. No compensation for loss is given in respect of an envelope containing anything not legally transmissible by post, or an envelope not posted in the manner prescribed; or in respect of glass, crockery, greases, liquids or semi-liquids, colouring powders, eggs, fish, meat, fruit, or vegetables, sent by letter post.

9. No compensation is given for injury or damage consequential upon—i.e., indirectly arising from—the loss of anything sent by post.

10. Without prejudice to any of the preceding rules, the Postmaster for Jamaica will if he thinks fit, refuse to give compensation for loss on any ground on which a common carrier might in like case claim exemption from legal liabilities.

11. The final decision upon all questions of compensation rests with the Postmaster for Jamaica.

12. In these rules the term "money" means—(a) coin, and (b) paper money. The term "coin" means coins of all kinds whether or not current in Jamaica or elsewhere.

The term "paper money" means notes of the Colonial Bank, Bank of Nova Scotia, or Royal Bank of Canada or of any bank of issue in the United Kingdom, and notes current in any Foreign State or British Possession, money orders and postal orders, unobliterated postage and revenue stamps, exchequer bills, bank post bills, bills of exchange, promissory notes, cheques, credit notes which entitle the holder to money or goods, and all orders and authorities for the payment of money, whether negotiable or not, bonds, coupons, and securities for money whether negotiable or not.

Advice of Delivery.—The sender of registered correspondence may obtain an acknowledgment of its receipt by the addressee on payment of an extra fee of 2d. in addition to other charges.

MONEY ORDERS.

Money Orders are issued at the head office, Kingston, and at the several Parochial Treasuries in the chief town of each parish. Applications for Money Orders addressed either to the Postmaster for Jamaica or to a Parochial Treasurer are free of postage. (The registration fee of 2d. must, however, be prepaid).

The commissions on Money Orders drawn on the United Kingdom, Panama, Costa Rica and the Cayman Islands are as under:—

For any sum not exceeding	£2	0s. 9d.
Above £2 and not exceeding	5	1 6
“ 5 “ “	7	2 3
“ 7 “ “	10	3 0

and 5d. for each additional £1 or fractional part thereof.

The commissions on Money Orders drawn on the United States of America, Canada, Canal Zone and Philippine Islands are as under:—

For any sum over £2 and not exceeding £5 or \$24.95	1 6
“ “ 5 “ “ 7 or \$4.00	2 3
“ “ 7 “ “ 10 or \$4.76	3 0

and 3d. for each additional £1 or fractional part of that amount.

The commissions on Money Orders drawn on Barbados, British Guiana, the Windward Islands, the Leeward Islands, British Honduras, Bermuda, Turks Islands and Trinidad are as under:—

For any sum not exceeding	£2	0s. 6d.
Above £2 and not exceeding	5	1 0
“ 5 “ “	7	1 6
“ 7 “ “	10	2 0

The limit amount for Money Orders drawn on United Kingdom, Panama, Costa Rica, Barbados, British Guiana, the Windward Islands, the Leeward Islands, British Honduras, Bermuda, Turks Islands, Trinidad and Cayman Islands is £40, and on United States of America, Canada, Canal Zone and Philippine Islands, £20 10s. 8d. or \$100.

No application can be entertained for compensation for alleged injury from the non-payment of a money order at the expected time. When a money order is applied for it must be on the clear understanding that no such claim will be allowed, and that the Post Office is not liable, under any circumstances, to more than one payment of a money order, even when, notwithstanding the precautions that are taken, the order has been paid to a person not entitled to receive the money. Re-payment to the remitter of a money order cannot be made until the chief office of the paying country has been communicated with; and applications for re-payment should be accompanied by a sum equal to the original commission on the order.

A Through Money Order Exchange also exists between Jamaica and certain British Colonies and foreign countries via the United Kingdom. Such through money orders are subject on payment to a deduction of two-pence for each £1 with a minimum charge of four-pence. The full name and address of the payee of a through money order must be given to enable the Chief Money Order Office, London, to forward to the payee a money order for the net amount payable, the money order issued to the remitter being only of value as a receipt for the amount paid and should be retained by the remitter.

The following is a partial List of British Colonies, Protectorates, and Postal Agencies abroad, and of the Principal Foreign Countries to which Money Orders may be sent. §

Telegraph Money Orders.

The system of Telegraph Money Orders is in operation between the United Kingdom and Jamaica. The remitter of a Telegraph Money Order is required to pay, in addition to the M.O. commission, the cost of the Telegram of Advice at the ordinary rate (2/6) or at the "deferred" rate (1/3) per word. Every word in the telegram has to be paid for; in the case of a "deferred" telegram, the instruction "L.C.O." is charged as one word, and the word "Postmaster" has also to be sent in every case and must be paid for. Further details may be had from the Chief M.O. Office, Kingston or from Parochial Treasuries.

POSTAL ORDERS.

Amounts and poundage.—The only Postal Orders sold in Jamaica are British Postal Orders, and they are issued and paid at all the Post Offices in the Island. They are available for use in the colony and in the British Colonies and other places abroad marked with an asterisk * above.

The commissions charged on orders issued are as follows:—

At 6d, 1s., 1s. 6d., 2s., 2s. 6d.	1d.
At 3s., 3s. 6d., 4s., 4s. 6d., 5s.	1½d.
At 7s. 6d.	2d.
At 8s., 10s.	2½d.
At 20s.	4½d.

Postage Stamps Affixed to Postal Orders.—The sender of a Postal Order, whether made payable in the United Kingdom or elsewhere (excepting Canada), may increase its value by an amount not exceeding 5d. by affixing Postage Stamps not exceeding three in number to the face of the Order. No credit will be given for stamps which are in excess of three or which are affixed elsewhere than in the spaces provided. Odd half-pence will not be paid. Stamps perforated with initials or marks, or embossed or impressed stamps cut out of envelopes, post-cards, &c. cannot be accepted for this purpose.

Period during which Orders are payable.—If an order be not paid within three months from the last day of the month of issue, a commission equal to the original poundage will be charged. The commission thus paid must be affixed in Postage Stamps to the back of the Order. Postal Orders which are not presented for payment within six months from the last day of the month of issue are not paid until reference has been made to London.

§Note—For complete list of places in which Money Orders are issued and paid, see London Postal Guide, July 1923 ed., pp. 654 to 661.

* British Postal Orders are also issued and paid in these countries. See "Postal Orders," page 12.

† British Postal Orders are paid at certain Offices in Canada, but are not issued in Canada.

Filling in of Order.—The purchaser of a Postal Order must, before parting with it, fill in the name of the person to whom the amount is to be paid, and is recommended to fill in the name of the Office of Payment as a precaution in case the Order should be lost or stolen. If the purchaser does not know which Post Office is most convenient to the payee, he should insert the name of the town, village or district where the payee resides. The Order will then be paid at any Post Office in the place named.

Counterfoils.—Every person to whom a Postal Order is issued should tear off and retain the counterfoil. Its production will facilitate inquiry if the Order should be lost.

Miscarriage or loss.—The Postmaster cannot undertake to consider any application respecting a Postal Order which has miscarried, or which has been lost or destroyed, unless the counterfoil be produced, and unless proof be given to his satisfaction that the name of the payee was inserted in the Order before the holder parted with it.

After a Postal Order has once been paid, to whomsoever it is paid, the Postmaster will not be liable to any further claim.

Payment to the public.—Before a Postal Order is paid the name of the payee and the name of the office of payment must have been filled in and the order must be properly receipted.

Payment through Bankers.—If a Postal Order be crossed, payment will only be made through a bank; and if the name of a bank be added, payment will only be made through that bank.

Repayment to sender.—The sender of a Postal Order can obtain repayment of the amount (but not the poundage) on presenting the Order and the Counterfoil at the issuing Office. If the Order has been crossed for payment through a bank the sender must first cancel the crossing by writing across the face of the Order the words "Please pay cash" and adding his initials.

Erasures, alterations, &c.—If any erasure or alteration is made, or if the Order is cut, defaced, or mutilated, payment may be refused.

Postal Orders not negotiable.—Postal Orders do not, like Bank of England Notes represent value in themselves. If an Order is lost or stolen no person into whose hands it may fall, though himself innocent, is entitled to receive the amount of the Order. The rightful owner is alone entitled to cash the Order.

REPLY COUPONS.

All countries, whether they issue reply coupons or not, exchange reply coupons presented to them for a stamp or stamps representing the postage on a single-rate letter. Reply coupons are to be regarded as valid only for two months from the date of issue (six months in the case of countries beyond sea), and not more than 10 coupons may be sold to or exchanged for a single applicant on any one day. Coupons are sold at the money order office, Kingston for 6d. each, and are cashed at the rate of 3d. for a 50-centime, and 1½d. for a 25-centime coupon.

MAIL COACH REGULATIONS.

PASSENGERS—At intermediate stations a passenger must take his chance of finding a vacant seat in the coach, and must, if there be a vacancy, then pay his fare to the local postmaster, or contractor's agent.

In either case the amount for such ticket must be paid in cash, and the ticket must be handed to the driver or guard of the coach before the passenger takes his seat.

In all cases if a passenger intends to leave the coach between stations he must pay the fare to the next station beyond.

The PERSONAL LUGGAGE of each passenger is limited to 20lbs. by weight or 2,000 cubic inches by size. Any excess must be paid for as freight, and such excess may not exceed 10lbs. in weight, or 1,000 cubic inches in size. Dogs are not allowed to be carried by coach.

OVERSEA MAILS. MEANS OF COMMUNICATION.

I. UNITED KINGDOM—Letter mail for the United Kingdom is sent and received by each available opportunity via the United States, and by the Elders and Fyffes, and Leyland and Harrison Lines of Steamers via Liverpool or Bristol. The Department endeavours to forward mail for the United Kingdom by the most expeditious route in each case. Parcel post mail is conveyed only by the direct steamers.

II. UNITED STATES OF AMERICA—Mails (both letter and parcel) for the U.S.A. are conveyed by the steamers of the United Fruit Co., Atlantic Fruit Co., Clyde S. S. Co., and Jamaica Fruit and Steamship Co., the most expeditious opportunity being utilized as far as possible.

III. CANADA—Letter mail for the Dominion of Canada is sent and received by each U.S. mail. Parcel post mail is, however, conveyed only by the steamers of the Pickford and Black Line trading between Halifax N.S. and Jamaica, and the Canadian Government Merchant Marine trading between Montreal and St. Johns and Jamaica about once every three weeks.

IV. CENTRAL AMERICA—Mail communication with these countries is maintained by the steamers of the United Fruit Co., Elders and Fyffes Ltd., and Clyde S. S. Co. For special information regarding parcel post mail for these places see page 34.

V. WEST INDIA ISLANDS—Letter and parcel post mails for the West India Islands are exchanged regularly by way of the U.S.A. The Windward Islands Line also maintains a direct service to Haiti and several of the British West India islands.

The Canadian Government Merchant Marine maintains a direct service between Jamaica, British Honduras, the Bahamas, and Bermuda.

VI. CAYMAN AND TURKS ISLANDS—An irregular mail service to and from these Islands is maintained by means of schooners and sloops. Letter mail for Turks Island is also exchanged via U.S.A.

VII. Cuba—Mails are exchanged about once a week. There is no direct parcel post exchange with Cuba.

By courtesy of the United Fruit Co., the following schedule of routes, etc. of their regular mail-carrying steamers is furnished.

NEW YORK-JAMAICA-PANAMA-COLOMBIA SERVICE: A steamer leaves New York every Wednesday a.m. and calls on alternate weeks at the following ports:—

(a) Kingston (arrives and leaves Monday), Cristobal, Cartagena, Puerto Colombia, Santa Marta, Cristobal, Kingston (arrives and leaves Saturday), New York, (arrives Thursday)—a round voyage of 22 days.

(b) Kingston (arrives and leaves Monday), Cristobal, Colombian ports as above, Kingston (arrives Friday leaves Saturday), New York (arrives Thursday).

During the winter months a weekly service is maintained between New York, Cuba, Jamaica, Panama, and Costa Rica.

NEW YORK-CUBA-JAMAICA-HONDURAS-GUATEMALA SERVICE: A steamer leaves New York every other Saturday calling at the following ports:—

Santiago, Kingston (arrives and leaves Friday), Belize, (or Puerto Cortez*), Puerto Barrios, Tela, Puerto Castilla, Puerto Barrios, Kingston (arrives and leaves Thursday), Santiago, New York (arrives Wednesday).

NEW YORK-CUBA-JAMAICA SERVICE: A steamer leaves New York every Friday or Saturday calling at Santiago† and Kingston.

BRISTOL-JAMAICA-COSTA RICA-PANAMA SERVICE: An Elders and Fyffes' steamer leaves Bristol every alternate Monday calling at the following ports:—

Kingston (arrives Monday, leaves Tuesday), Limon, Cristobal, Kingston, (arrives and leaves Monday), Bristol (arrives Monday)—a round voyage of four weeks.

In the foregoing the term "letter mail" refers to letters and post cards, and packages of printed and commercial papers and samples.

*Alternate sailings calling at Belize one voyage, Cortez the next.

†Alternating at Santiago with the fortnightly steamer.

Elders and Fyffes Ltd. maintain a further service with the United Kingdom, but as the sailing days and routes of these boats vary somewhat according to the season of the year their movements cannot be reduced to the precision of a schedule.

In addition to the regular weekly closing on Saturdays for New York by the United Fruit Co.'s steamers, a mail for the U.S.A. is made up every Tuesday for despatch (via Port Antonio) by one of the Atlantic Fruit Co.'s steamers.

The services maintained by the steamship companies named above provides, on an average, two weekly receivals from and five fortnightly despatches to the U.S.A., Canada, and Europe, and one weekly receival from and despatch to Central America.

CLASSIFICATION OF MAIL.

Foreign Correspondence is divided into the following classes:—

- (a) Letters (b) Post-cards, (c) Printed Papers, (d) Commercial Papers, (e) Samples, (f) Parcel Post Parcels.

For the Rates of Postage on all classes of mail-matter, limits of weight and size, &c., see Table, page 38.

(a) *Letters* posted wholly unpaid or insufficiently prepaid are forwarded, but are charged on delivery with double the deficiency.

Unpaid and insufficiently prepaid letters from places abroad are charged double the deficient postage.

Letters or packages paid at the letter rate of postage received from abroad suspected to contain articles liable to customs duty are detained under authority of the Postal Union Convention pending inquiry and the payment by the addressee of any duty leviable.

(b) *Post Cards*: See Inland Regulations, p. 3.

(c) (d) *Printed and Commercial Papers*: For definition and description of these see Inland Regulations pp. 4 and 5*

(e) *Samples*: The use of the Sample Post is restricted to (1) bona-fide trade samples or patterns of merchandise without saleable value, and (2) natural history specimens, dried or preserved animals and plants, geological specimens, and scientific specimens generally, keys, fresh flowers, tubes of serum and pathological specimens rendered innocuous by their mode of preparation and packing, when sent for no commercial purpose, and printers' blocks. Packets containing goods for sale or consigned in execution of an order (however small the quantity) or *articles sent by one private individual to another which are not actually trade samples* or patterns or scientific specimens, &c., cannot be forwarded by sample post.

It is recommended that every sample should be marked "Sample—not for sale," or otherwise defaced in such a way as to render the article unsaleable in the ordinary way of trading.

Packages of printed and commercial papers and samples if only partly prepaid will be chargeable on delivery with double the deficiency; if wholly unpaid, they will not be forwarded.

The privilege of not prepaying or of prepaying partially does not apply to letters, post-cards, or to other articles sent with the evident intention of avoiding payment of postage.

Special regulations as to certain articles.—Though under the regulations of the Postal Union articles liable to Customs Duty may only be sent by the Parcel or the Insured Parcel Post, this rule is relaxed for samples in certain countries. In some instances samples liable to customs duty are delivered either free or on payment of the duty, but in others they may be withheld from delivery. Samples of tea exceeding eight ounces in gross weight are not in any case accepted for transmission abroad; and some countries have fixed a still lower limit both for tea and for certain other articles. Samples liable to customs duty are ordinarily admitted into the United Kingdom when sent in quantities so small as to have practically no saleable value; but the importation of tobacco, cigars, cigarettes, &c., by Sample Post is prohibited, with the sole exception of packets of type samples of unmanufactured tobacco not exceeding six ounces in gross weight, which are delivered on payment of 2s. 6d. customs duty.

Samples of Spirits (except perfumed spirits) may be sent to the United Kingdom provided that the samples are plainly marked "*Spirits (not perfumed)*." Each packet is liable to a charge of 3s. 6d. customs duty. Samples of wine are admitted free of custom.

* The inland rate of postage on "printed" and "commercial" papers is the same, but the foreign rate on "commercial" papers differs from the inland rate, see p. 38.

charges. The gross weight of any sample packet containing wine or spirits must not exceed 12 ounces.

Samples of Tea not exceeding 8 oz. in gross weight may be sent to U. K., provided that the packets are plainly marked as containing tea. Each packet, exceeding 3 oz. in weight, is liable to a charge of 2d. Customs Duty. Packets of tea exceeding 8 oz. in gross weight and sent by Sample Post are liable to forfeiture by the Customs.

Sample packets containing *liquids and greasy substances* can be sent to countries in the Postal Union: also *tire bees* (except when prohibited by the special regulations of the country of destination). They must be made up so that they can be easily opened for purposes of inspection, with the exception of packets containing live bees, which must be enclosed in boxes so constructed as to allow the contents to be ascertained without opening. The bottles used for enclosing *liquids* must be of glass, and all articles of *glass* must be securely packed in boxes of metal or wood.

Liquids, oils, and substances easily liquefied must be enclosed in glass bottles, hermetically sealed. Each bottle must be placed in a wooden box furnished with sawdust, cotton, or spongy material in sufficient quantity to absorb the liquid in the event of the bottle becoming broken. Finally the box itself must be enclosed in a case of metal with tightly fitting lid, of wood with a screwtop, or of strong and thick leather; but when perforated wooden blocks are used having a thickness of at least 2½ millimetres (about an eighth of an inch) in the thinnest part, sufficiently provided inside with absorbent material and supplied with a lid, it is not necessary for the blocks to be enclosed in a second case.

Fatty Substances which are not easily liquefied, such as ointments, soft soap, resin, etc., must be enclosed in an inner cover (box, bag of linen or parchment, etc.) which must itself be placed in a second box of wood, metal, or strong and thick leather. Dry *colouring powders* must be placed in bags of leather, rubber-dressed linen, or stout oiled paper; but non-colouring powders may be packed in boxes of wood, metal, or cardboard. It is essential that in both cases the bags or boxes of powder shall be themselves enclosed in bags of linen or parchment.

Articles of all kinds which might spoil if packed so as to be easy of inspection, may, as an exception, be accepted for mailing even when hermetically sealed. In this case the postal administrations concerned may require that the senders or the addressees facilitate the examination of the contents of the sealed articles, either by opening whichever of the articles that may be designated for examination or provide for an examination of contents in any other satisfactory manner.

Any article of *glass* must be securely packed in a box. Except in the case of a glass bottle containing liquid, &c. (see above), the box may be either of metal or wood.

Dangerous articles, such as scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, are eligible for transmission by Sample Post, provided that they are *bona-fide* samples without saleable value, and are packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags and to the officers of the Post Office, while at the same time they may be easily examined.

All packages of printed and commercial papers and samples may be opened and examined by the Post Office without reference to the addressee.

Explosives are absolutely prohibited.

(f) *Parcel Post Parcels.* See pp. 30 to 35.

IT IS FORBIDDEN to send in any letter, packet of printed or commercial papers, or sample to a country of the Postal Union—

1. Gold or silver, bullion, pieces of money, jewellery or precious articles (except to Great Britain and countries named in foot note).*
2. Any packet (other than a parcel post parcel) containing articles liable to customs duty in the country of destination. The special letter-mail prohibitions to each country of the Union are shewn in col. 9 pp. 528 to 577, London Post Office Guide, July, 1923 Ed.
3. Any article of a nature likely to stain or in any way injure the contents of the mail bags or the persons of those engaged in the postal service.

The insertion in any letter, packet of printed or commercial papers, or sample of opium, morphine, cocaine, or other narcotic is strictly forbidden.

*Coin, gold, silver, &c., may be sent by REGISTERED LETTER MAIL to the following places: Ascension, Austria, Australia, Barbados, Canada, Canal Zone, Cape of Good Hope, Cuba, Czechoslovakia, Denmark, France, Germany, Gibraltar, Holland, Hungary, Malta, New Zealand, Panama, South Africa (British), United Kingdom, United States of America and possessions of U. S.

REGISTRATION (Foreign)*

If it is proved to his satisfaction that a letter or packet duly admitted to Registration has been entirely lost whilst in his custody the Postmaster undertakes to pay an indemnity of 50 francs, except in cases beyond control (e.g., tempest, shipwreck, earthquake and war). No compensation, however, is payable except in the case of the loss of the entire letter or packet; and no claim will be admitted if made more than a year after the letter or packet was posted.

The Postal Administrations of all countries and colonies included in the Postal Union give the same undertaking in respect of registered letters or packets lost whilst in their custody.

If it is desired to obtain compensation in the case of abstraction of contents of a letter, or to provide for a higher maximum than 50 francs, recourse must be had to the Insurance system. See "Insurance" below.

The fee chargeable for registration to places abroad is 2d.

Conditions of Registration.—No postal packet addressed to initials or in pencil (except copying ink pencil) is admitted to registration.

Every letter presented for registration must be enclosed in a strong envelope securely fastened, preferably in one of the registration envelopes sold by the Post Office.

It is recommended that the name and address of the sender be written on the outside of every registered postal packet.

Registered packets must be prepaid as regards both postage and registration fee.

Packets to be registered must be given to an officer of the Post Office, and a receipt obtained for them; they must on no account be dropped into a letter box.

Advice of Delivery.—The sender of registered or insured correspondence addressed to any foreign country or British colony in the Postal Union, may obtain an acknowledgment of its receipt by the addressee on payment of an extra fee of 2d., in addition to other fees.

INSURANCE—Foreign. (For Letters only.)

Letters tendered for insurance will be accepted by the Post Office on payment of the fee and subject to the conditions stated below:—

Fee—6d. for every £12 of value in addition to the postage and registration fee.

As few stamps as possible should be used to prepay the postage and insurance fee, and the stamps must not be folded over the edge of the cover. When more stamps than one are used they must be affixed with spaces between them.

A LETTER is the only article of mail matter which will be accepted for insurance. post cards, printed papers, commercial papers or sample packets will not be accepted.

Letters containing coin, anything made of gold or silver, precious stones, jewellery, or any article liable to customs duty in the country of destination cannot be sent by insured letter-post. Objects of value which cannot be sent in insured letters may generally be sent in insured parcels, (see page 33.)

The insurance system is specially applicable to letters which contain bank-notes, coupons, securities, bonds and other documents of the kind.

A letter tendered for insurance must not be addressed to initials, or in pencil and it must be enclosed in a strong cover, and be securely fastened and sealed with fine wax in such a way that it cannot be opened without leaving traces of violation. Envelopes with black or coloured borders must not be used. Seals must be placed over each flap, or seam, of the cover of a packet; and if the packet is tied round with string or tape, a seal must be placed on the ends where they are tied. In the case of long envelopes with a seam down the centre, the seam should be secured with seals placed not more than three inches apart. All the seals must be of the same kind of wax, and must bear distinct impressions of the same private device. Coins must not be used for sealing; and the device of the seal must not consist merely of straight, crossed or curved lines which can be imitated readily.

The onus of properly enclosing and sealing the letter lies upon the sender, and the Post Office does not assume liability for loss arising from the defects of the cover or the seals, which may not be observed at the time of posting.

The amount for which a letter is insured must not exceed its actual value, and must be written by the sender both in words and in figures at the top of the address side of the cover, thus:—"Insured for £12, (Twelve Pounds)" or whatever the amount may be.

* Conditions governing registration of foreign correspondence differ from those governing inland correspondence. See p. 5.

Alteration or erasure of the inscription will not be allowed, if a mistake be made the entry must be completely struck out and a new entry made by the sender. The seals on an ordinary envelope of an insured letter must be placed as shown below:—

Letters which do not fulfil the foregoing conditions will not be accepted for insurance.

Insured letters will have all the safeguards of the Registration system, and a certificate of posting must always be obtained by the sender of an insured letter. An acknowledgment of receipt of the delivery may also be obtained under the same conditions as those applicable to registered letters, *i.e.*, on payment of a further fee of 2d.

Compensation for the loss or damage in the post of an insured letter, or its contents will not exceed the amount of the actual loss or damage, and will not be paid at all for a packet containing any prohibited article, for any packet which has been delivered without external trace of injury and has been accepted without remark, or for damage caused by the fault or negligence of the sender or arising from the nature of the article; nor does it follow as a matter of course that compensation will be paid when loss arises from tempest, shipwreck, earthquake, war, or other causes beyond control. Indirect loss or loss of profits is not taken into consideration. No compensation will be paid for any loss or damage resulting from acts of the King's enemies. No claim for compensation will be admitted if made more than a year after the packet was posted. The sender of a parcel may waive his claim in favour of the addressee.

Legal liability to give compensation in respect of any letter for which an insurance fee has been paid will not attach to the Postmaster for Jamaica either personally, or in his official capacity. The final decision upon all questions of compensation rests with the postal administration of the country in which the loss has taken place.

Insured letters will only be forwarded by steamers going direct to a British port.

For list of countries to which letters may be insured and the limit of insurance, see Table pp. 39 to 45.

PARCEL POST.

A Parcel Post Exchange exists between Jamaica and the countries against which parcel post rates of postage are shewn in cols. 9 to 12, pages 39 to 45. Parcel post business is transacted at all Post Offices.

The parcel mail for the United Kingdom, United States of America, Canal Zone, Canada, Panama, Honduras, and Turks, Cayman and Bahama Islands is forwarded by each available direct opportunity. That for the majority of the W.I. Islands is sent and received via New York, and also by any direct opportunity offering.

The parcel mail for Costa Rica, Ecuador, Nicaragua and Venezuela is forwarded via Panama.

Parcels for the majority of other countries are forwarded via the United Kingdom.

Postage, Dimensions, and Weight—No parcel may exceed eleven pounds in weight.

For postage, maximum dimensions, and other particulars, see Table of Rates of Postage, &c., pages 39 to 46.

Foreign (except to U.S.) and Colonial parcels cannot be registered*, but they may be insured to certain countries under the conditions specified on page 33.

General Regulations.

Customs Declaration and Dispatch-note.

Parcels are subject to Customs regulations. The sender of each parcel is required to make, for Customs purposes—upon a special form or forms, which can be obtained at any Post Office—an accurate statement of the nature and value of the contents and other

*See page 34.

particulars. The sender's name and full address must also be filled in. The forms should be filled in, in ink. Two forms of Customs declaration are in use:—(1) A yellow form, No. 741, intended to be affixed to the covers of parcels for British Colonies and Possessions and for a few foreign countries; and (2) a white form, which is used for parcels for all other foreign countries. Several identical copies of the latter form must in many cases be made out (see Table on pages 39 to 45, col. 14). *When a white form is used the sender must also fill up a dispatch-note. Undervaluation of the contents or failure to describe them fully may result in seizure of the parcels, and in the case of parcels addressed to the United States of America in the imposition of heavy fines, which will not be remitted even if the parcels are returned to the senders. The net weight or quantity of the different kinds of articles contained in a parcel should be separately stated.* Any other particulars should be given which would facilitate the assessment of Customs Duty, such as the material of which clothing is composed, and whether it is new or not. In the case of articles returned to the country where they originated, the fact should be stated. For further particulars as to declarations, see note against the names of the various countries in the Table of Rates pp. 39 to 45 (col. 14).

The postage on parcels must be wholly prepaid by postage stamps.

The Post Office Department will not be responsible for the loss or damage of any uninsured parcel. This rule is modified in case of parcels between the U. K. and Jamaica, see page 33.

Each parcel must be plainly directed, such directions setting forth the name and full address of the person for whom the parcel is intended. *A parcel must not be posted in a letter box but must be taken into a Post Office and presented at the counter to the Postmaster or person in charge.*

A certificate of posting will be given to the person posting a parcel but no liability attaches to the Post Office in respect thereof.

Customs duties will be collected before delivery.

A parcel may not contain dangerous articles, perishable articles, articles likely to injure other parcels, or the officers of the Post Office, liquids unless securely packed in proper cases and surrounded with absorbent material,* or any contraband articles or substances. A parcel must not contain another parcel or other postal packet intended for delivery to a person other than the addressee of the first-named parcel.

If on examination of any parcel there shall be found in or with the same *a ny letter or communication of the nature of a letter* such paper or communication will be withdrawn therefrom, and will be forwarded to the addressee thereof; or, if it be not addressed, to the addressee of the parcel in or with which the same was found enclosed, and the said letter will be surcharged for delivery at the unpaid rate of postage.

Parcels re-directed from one country to another will be charged a fresh postage at the rate payable to the country of destination.

Parcels should be *securely and substantially packed* with due regard to length of journey, conditions of transit, climatic conditions, &c.; e.g., cardboard or ordinary brown paper is not in general sufficient packing for parcels sent to places abroad. Light and bulky articles should be packed in strong wooden cases. In some cases seals may be found necessary; if wax is used it should be of the special quality which will withstand a hot climate. Parcels to U.S.A. may not be sealed.

Parcels containing coin, anything made of gold or silver or other precious article cannot be forwarded to a country participating in the insurance scheme except the parcel is insured.

Parcels containing articles of an aggregate value exceeding £50 will not be accepted for transmission. This does not apply to insured parcels (for the limit of the value of which see pages 39 to 45, col. 8).

Parcels received at Jamaica from places over sea are, in terms of the Post Office Law Amendment Law, 1886, opened at the Head Office, Kingston, for the purpose of the amount of import duty on the contents being assessed.

After such assessment the parcels are delivered, and the amount of duty collected in the same manner as the postage on unpaid or insufficiently prepaid mail matter.

Parcels are delivered in Kingston if addressed to a place within the house delivery limit by letter carrier; if beyond such limit, at the Parcel Post Office; in the country, across the Post Office counter.

The amount of duty assessed on any such parcel must be paid before delivery, or before the delivery of the parcel from the custody of the Post Office.

* Cf. Liquids, oils, etc. page 28.

All complaints relating to Customs duty on parcels should be addressed to the Collector of Customs, Kingston, as the Post Office has no control in the matter of duty.

Special Regulations:—I. United Kingdom.

A.—Cash on Delivery System. A Cash on Delivery System of parcels is in existence between this Colony and the United Kingdom.

Parcels up to the value of £40 each may be sent either way, and the value together with the fees attendant on the exportation collected from the addressee, and remitted to the sender.

A Cash on Delivery parcel may only be retained at the office of destination for 15 days from the date of arrival, after which if unclaimed it is forthwith returned to origin.

Any further information including fees charged can be obtained from the Parcel Post Office, Kingston, to which office at present, the service is limited.

B.—Prepayment of Customs Duties and other charges on Parcels Post Parcels to the United Kingdom. Persons sending parcels to the United Kingdom and certain other countries, may if they so desire, take upon themselves the prepayment of the Customs duty and other charges which in ordinary cases are leviable on the addressee. The sender will be told at the time of posting what the approximate amount of these charges will be, and a deposit will be taken of the estimated amount. A settlement will subsequently be made when a statement of the total amount of the charges has been received from the British Post Office. The following are the conditions:—

- I. Parcels to be sent under this arrangement must be handed in at the Parcels Post Branch at Kingston, or at any district post office.
- II. The cover must be marked by the sender "To be delivered free of charge."
- III. The sender must fill up and sign a formal undertaking to pay on demand the amount of the charges due. Forms for this declaration may be had on application to the Parcels Post Branch at Kingston.
- IV. Parcels for free delivery will only be accepted from persons whose settled residence is in Jamaica. If the sender is residing only temporarily in Jamaica a parcel cannot be accepted for delivery free of charge.
- V. A fee of 6d. per parcel is charged for the cost of the service in addition to the postage and deposit for duty. This fee must be paid by a stamp or stamps affixed by the sender to his form of undertaking in the place indicated.
- VI. A fee of 2d. for delivery charges must be added to amount deposited for duty.
- VII. The sender must make such deposit on account of the charges for which he desires to provide as the clerk in charge of the Parcels Post Branch at Kingston or the district postmaster may, in each case, decide. This deposit will, for the present, be the amount of the estimated duty and must be paid by stamps affixed to the form of undertaking in the place indicated.
- VIII. One form of undertaking will suffice for two or three (but not more) parcels posted together by the same sender to the same addressee. In such cases the fee will be 6d. for each parcel.
- IX. The following are the articles liable to duty under the United Kingdom Tariff which are likely to be despatched from Jamaica by parcels post, together with the rates of duty, (and in the case of tobacco, of certain fines) thereon. These rates are subject to considerable change and should be read as approximate:—

		£	s.	d.

Information concerning the duty levied in the United Kingdom on rum, wines and other spirits can be obtained from the Collector-General's Department.

- X. Parcels will be accepted in the United Kingdom and certain other countries for delivery in Jamaica free of Customs duty on conditions similar to the foregoing. Such parcels are liable to examination on arrival for Customs purposes, and all pains and penalties attaching for undervaluation or misrepresentation of contents or to prohibited goods will be enforced against the goods themselves or against the parties assuming the charge, as may be decided by the proper authorities.

C.—Insurance of Parcels to the United Kingdom and certain other Countries.

1. Every insured parcel must be packed carefully and substantially, with due regard to the nature of the contents and the length of the journey and must be sealed with wax or lead in such a way that it cannot be opened without either breaking the seal or leaving obvious traces of violation. For instance, seals must be placed over each join and loose flap of the covering of a parcel; and, if string be used in packing, a seal must be placed on the ends of the string where they are tied.

2. All the seals on an insured parcel must be of the same kind of wax or lead and must bear distinct impressions of the same private device. Coins must not be used for sealing; and the device must not consist merely of straight, crossed, or curved lines which could readily be imitated.

3. Parcels containing coin or bullion (not to exceed £5 in value, except in the case of coins clearly intended for purposes of ornament,) watches, jewellery, precious stones or any article of gold or silver must be enclosed in strong boxes or cases, which must be sewn up or otherwise fastened, in wrappers of linen, canvas, strong paper, or other substantial material. In such cases the seals must be placed along the edges of each join and loose flap at distances not more than three inches apart. The address of such parcels must be written on their actual covering.

4. If a parcel tendered for insurance does not, in the opinion of the officer of the Post Office to whom it is tendered, fulfil the foregoing conditions as to packing and sealing, it is his duty to refuse to insure it. Nevertheless the onus of properly enclosing, packing, and sealing the packet lies upon the sender, and the Post Office assumes no liability for loss arising from defects which may not be observed at the time of posting.

5. The amount for which a parcel is insured must be written by the sender both in words and in figures at the top of the address side of the cover, thus:—"Insured for fifteen pounds (£15)". No alteration or erasure of the inscription is allowed. If a mistake is made, the entry must be completely obliterated and an entirely new one made by the sender.

6. No parcel can be insured for more than its actual value, or for more than the sum entered against the name of the country to which it is addressed (See Table pp. 39-45, col. 8). A parcel of which the contents have no saleable value may, however, be insured for a nominal sum in order to obtain the safeguard. *Over-insurance is an obstacle to compensation.*

7. All parcel post parcels addressed to the United Kingdom (or other places to which the insurance system extends) containing articles of jewellery, watches, bullion or other articles of gold or silver, must be insured and cannot otherwise be forwarded to destination.

8. The countries to which parcels may be insured, the sum payable for Insurance in addition to the postage which must be affixed to the parcel, and the limit of insured value are shown on Table pp. 39 to 45.

Rules in respect of compensation for insured letters apply generally to insured parcels also.

D.—Compensation for loss or damage of UNINSURED parcels between the United Kingdom and Jamaica. The Postmaster for Jamaica will (not in consequence of any legal liability, but voluntarily, and as an act of grace) give compensation for the loss or damage of uninsured parcels sent by parcels post between the United Kingdom and Jamaica, when such loss or damage takes place while the parcels are in his custody, and does not arise from any fault or neglect of the senders or from the nature of the contents.

1. The compensation paid will in no case exceed £1.

2. The obligation of paying the indemnity shall rest with the despatching office, but, until the contrary is shown, the responsibility for the loss, damage, or abstraction, shall rest with the office which, having received the parcel without making any observation

cannot prove its delivery in good condition to the addressee, or in the case of a transit parcel, its regular transfer to the next office.

3. The compensation payable will be in accordance with the general regulations as regards insured parcels (*see above*), so far as these regulations are applicable.

E.—Undelivered Parcels. Undelivered parcels originating in the United Kingdom are returned to the senders at their expense unless the sender has indicated by a note on the parcel that he wishes it to be *abandoned* in case of non-delivery. The sender may also direct that a parcel, if undeliverable at the first address, may be delivered at a second address. If not delivered at the second address parcels will be dealt with as above stated.

II.—United States of America and the Canal Zone.

The following are the special regulations which govern the exchange of parcels:—

Letters, post-cards and written matter of the nature of personal correspondence *must not* be enclosed in a parcel.

If such be found the letter will be placed in the mails, if separable; and, if the letter be inseparably attached, the whole package will be rejected. If, however, any such should inadvertently be forwarded the country of destination will collect double rate of postage according to the Postal Union Convention.

A parcel may not contain any other parcel intended for delivery at an address other than that borne by the parcel itself. If such enclosed parcel be detected it must be sent forward singly, charged with new and distinct parcel post rates.

Each parcel must be so wrapped or enclosed as to permit its contents to be easily examined by any Postmaster or Customs Officer whose duty it may be to do so; and each parcel will be subject in the country of destination to all Customs duties and all Customs regulations in force in that country for the protection of its Customs revenue.

A parcel for United States and Canal Zone may be *registered* on like conditions to those that govern the registration of other correspondence; and on payment of the sum of twopence additional to the first charge, the sender can obtain a receipt for such parcel from the addressee, but parcels for the United States and the Canal Zone may *not* be insured.

Parcels must be so carefully packed as to be safely transmitted in the mails of either country, both in going to the Post Office of exchange of the country of origin, as well as to the office of address of the country of destination; and they must **NOT BE SEALED OR CLOSED AGAINST INSPECTION**, that is, they must not be secured by means of wax, lead, or in any manner which would not admit of their easy examination by the Customs Authorities in the United States. Parcels closed by means of nails and screws are admitted.

The country of destination may, at its option, levy and collect from the addressee, for inland service and delivery, a charge not exceeding twopence half-penny (or five cents) on each single parcel of not more than one pound weight; and, if the weight exceed one pound, a charge equal to one half-penny (or one cent) for each four ounces or fraction thereof.

If a parcel cannot be delivered as addressed, within 28 days of its receipt, or is refused, it will forthwith be returned to the senders, who must pay at the office of origin an amount equal to the postage originally paid thereon.

Any request that a parcel may be re-addressed or returned must be accompanied by the amount of postage at the original rate for its further pre-payment.

The Post Office Department will not be responsible for the loss or damage of any package; and no indemnity can consequently be claimed by the sender or addressee in either country.

Payment of Customs duty cannot be undertaken by the sender.

For prohibitions, see page 36.

III.—Canada.

The regulations governing the Parcels Post Exchange with Canada are identical with those of U.S.A., with the following exceptions:—

There is no prohibition or limitation of the numbers of cigars or cigarettes which may be exported.

Parcels for Canada can neither be insured or registered.

Unclaimed or refused parcels are dealt with in the same manner as parcels from the United Kingdom.

IV.—Panama, etc.

A Parcels Post Exchange now exists between Jamaica and the Republics of Panama, Costa Rica, Ecuador, Nicaragua and Venezuela, via Colon.

The regulations governing the exchange with these countries are identical with those of U.S.A., with the following exceptions:—

Parcels must be sealed with sealing wax, lead or other material which must bear the special mark or impress of the senders.

Parcels for these countries may not be registered.

Cigars and cigarettes may be sent in any quantity.

V.—West India Islands.

Parcels for Antigua, Barbados, Bermuda, British Guiana, Dominica, Grenada, Montserrat, St. Kitts-Nevis, St. Lucia, St. Vincent and Trinidad are forwarded regularly via U. S. A. or Canada at the rate of 1s. per lb. If, however, parcels for these places are endorsed by the sender, "By direct opportunity," they may be accepted at the following rate: 1s. up to 3lbs.; 2s. up to 7lbs.; 3s. up to 11lbs. Parcels so endorsed will be held for a direct mail. Insurance can only be effected on parcels going direct.

Conditions and Prohibitions in Certain Countries.

The transmission of any letter whatsoever, no matter to whom addressed, in parcels for the majority of countries is forbidden. The few exceptions to this rule can be ascertained by reference to the London Postal Guide, col. 8 pp. 583 to 651. If any letter or communication of the nature of personal correspondence be found in a parcel, and it can be separated therefrom, it will be forwarded to its destination surcharged at unpaid letter rates. But if such letter, &c., can *not* be separated, the whole parcel will be liable to unpaid letter rates of postage.

Plants are not in ordinary conditions admitted into most of the countries of Europe, for fear that phylloxera may be introduced with them. There are, however, special conditions in which parcels of plants (except vines) are admitted into some of these countries. The chief conditions are that the plants must be packed securely, but in such a way that they can be easily examined, and must be accompanied by a declaration of the sender attested by some competent authority, that there has been no vine in or near the ground from which the plants come.

A parcel may *not* contain any explosive, inflammable, or dangerous or perishable articles, any article likely to injure another parcel, any liquid (unless securely packed in a proper case as described on p. 28), nor any article specially prohibited from importation into a particular country. (See below)—

TELEGRAPHS.

The Government Telegraphs are under the control of the Postmaster for Jamaica.

The Telegraph Offices are in the same buildings as the Post Offices.

The charge for telegrams throughout Jamaica is ninepence for any number of words up to twelve, and a half-penny for every additional word. The address and signature are both counted. The charge is paid in postage stamps affixed to the message.

If the addressee reside within one mile of the terminal office the telegram is delivered by messenger without any additional charge; but if beyond that limit the following postage fee must be prepaid:—

- a. At the rate of 6d. per mile (one way) counting from boundary of free delivery.
- b. If delivery by horse messenger is required at the rate of 1/- per mile (one way) counting from the office.

The above rates are maintained whenever practicable. If messengers cannot be obtained at these rates the Postmistress is authorized to make the most reasonable arrangement possible.

The charges for the transmission and for portage of telegrams must be pre-paid by means of adhesive stamps.

Persons resident at a place to which the Island Telegraph Line has not yet been extended can benefit by its use on the following conditions:—

1. If the words "By Post" with the name of a telegraph station be written on a message it will be wired to such station and forwarded from thence to its postal address by first post.
2. If a letter marked "On Post Office Telegraph Business" be sent *by post* to the Telegraph Clerk at any station the message enclosed will be promptly forwarded *by wire* from such station. In this case the letter by post must be registered and the cost of the message enclosed in stamps or coin. Telegrams may also be handed to a mail courier on his way to a telegraph office, but the department does not take any liability for miscarriage.

3. No charge will be made in either case for postage or registration.

4. Telegrams may be sent to certain ports for outward transmission as letters. The senders must write "by post" before the addressee's name, and the name of the terminal Telegraph Office at the end of the address.

For example:—

"By Post," Brown, 12 Fifth Avenue, New York, Kingston."

In addition to the ordinary telegraph charge the sender must also pay the postage fee.

In such cases registered addresses cannot be used.

5. The office hours are from 7 a.m. to 5 p.m., daily—Sundays and Bank Holidays excepted.

Night, Sunday and holiday services may be obtained at the following rates:—

Between 5 a.m. and 8 p.m., double rate for telegram, plus a fee of 1/ for each clerk handling the telegram and 6d. for the messenger.

Between 8 p.m. and 6 a.m. double rate for the telegrams plus a fee of 2/ to each clerk handling the telegram and 1/ for the messenger.

The charges of 6d. and 1/ respectively for messengers refer only to telegrams for delivery up to one mile from the office.

On Public Holidays all offices are open from 7 a.m. to 9 a.m. and telegrams are accepted at the ordinary week day rates during these hours.

6. Full rate cablegrams for any part of the world may be handed in at any Telegraph Office on payment of the inland rate in addition to the amount charged by the cable coy.

"Deferred" telegrams at present are being accepted for Canada, Newfoundland, Great Britain and Ireland, France and certain other countries. The cable companies announce from time to time extensions to or curtailments of the "deferred" rate.

The inland rate for radio telegrams is, minimum 5d. for 10 words and $\frac{1}{2}$ penny for every extra word. The rates for foreign telegrams, per word, are as follows:—

- (a) "Via Bermuda" or "via West India and Panama Telegraph Co."—Austria, 3s.; Belgium, 2s. 8d.; Denmark, 2s. 9d.; France, 2s. 8d.; Germany, 2s. 9d.; Great Britain, 2s. 4d.; Greece, 3s. 2d.; Holland, 2s. 9d.; Italy, 2s. 10d.; Norway, 3s. 2d.; Portugal, 3s. 2d.; Spain, 3s. 1d.; Sweden, 2s. 10d.; Switzerland, 2s. 10d.

- (b) "Via Marconi."—The rates are 2d. a word less than the above in each case.

Deferred cable telegrams are accepted at half the above rates, and must bear the prefix "L. C. F." (Language Country French), "L. C. D." (Language Country Destination), or "L. C. O." (Language Country Origin). One of these prefixes must be placed before the address in deferred cablegrams and will be counted as one word. Code words are not permitted in deferred messages.

Public telephone call offices have been established at Cross Roads and Halfway Tree post offices. The fee is 2d. for a conversation not exceeding three minutes.

Local telegrams sent by authorized Government officials, Members of the Legislative Council and certain other authorized persons on public business are transmitted free of charge.

When the white form is used, the sender must also fill up a Dispatch Note (supplied at all Post Offices) which must accompany the parcel.

Every parcel post packet addressed to the United Kingdom or any of His Majesty's Colonies or Dominions will bear an extra tax of 3d., except those which are addressed to members of His Majesty's Navy and Army.

On every parcel or packet containing dutiable matter arriving in the Island through the post a tax of 3d., will be collected.

NOTE—The rates of postage on foreign parcels shewn in cols. 9 to 12 are revised to date of going to press. As the British Post Office, however, frequently changes its rates of postage it follows that the postage on parcels from Jamaica to European and other countries, sent through London, are also subject to change during the next 12 months.

Reference should therefore be made to the latest Edition or Supplement of the London Post Office Guide in computing postage on parcels addressed to such places. The rate is arrived at by adding 9d., 9d., 1s. 6d., and 2s. 3d. to the four steps of the British quadruple scale of postage.
